PEOPLE OF ACTION

The Omaha Rotary Night Club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We have a shared desire to connect with others to address the challenges affecting both our local community and communities around the world.

Involvement:

Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water & sanitation infrastructure, and make our community and the world a more peaceful place.

The Omaha Rotary Night Club is a group of Committed Leaders that are passionate about:

***TAKING ACTION* to create positive changes that benefit communities near or far;**

***EXCHANGING* ideas, experiences and learning opportunities;**

***BUILDING FRIENDSHIPS* and;**

HAVING FUN!

CORPORATE MEMBERSHIP

From March 2023 thru June 2024 we are piloting a corporate membership program for businesses, professional practices, government entities, and educational institutions. The corporate member will be an active, dues-paying member of the club and Rotary International. Up to four alternate members of the organization will be included on the club roster as additional members.

Corporate membership dues are \$700 per year, paid quarterly. This includes \$125 in donations to Rotary International made on behalf of the active member. We do encourage the donation similar amounts for additional members.
