

Central Bucks Rotary – People of Action

Central Bucks Rotary Club members are people of action who get stuff done. The “happy-hour” club meets at The Plumsteadville Inn in Pipersville on Tuesdays at 6:00 p.m. to explore ways to enrich the lives of other people through local, national, and international projects. On Monday nights, weather permitting, members get together for bike club rides. If you are interested in doing service and sharing fun with like-minded friends, connect with the club at www.centralbucksrotary.com to learn more.

The club’s mission is committed to the unmet local and global humanitarian needs emphasizing families at risk, veterans, and the disabled. Members do their best to positively improve the quality of their lives through the allocation of member and community donations of time and money, while encouraging and fostering the ideal of “Service Above Self.” Together Rotarians lead and promote change in their own backyards and across the world. A short list of the activities and organizations that they support includes:

-Ride For the Heroes

-Aark Wildlife Rehabilitation & Education Center

- Bucks County Food Pantry The Grace Project
- Polio Eradication Shamrock Reins Equine Assisted Therapies
- Travis Manion Foundation Feed My Starving Children

On Friday, May 19, Central Bucks Rotary will host a Grand Prix Office Chair Racing fundraiser at The Plumsteadville Inn parking lot. All proceeds from the event will benefit veterans and the Central Bucks Rotary Foundation. Local business have two ways to participate: by sponsoring a banner on the race track, and by registering teams to race. There is no admission price for spectators, so employees are encouraged to participate and cheer on the riders. Get your game on, be creative and come prepared for the excitement.

Contact Pam Northrop at 215-230-8888 for more information.
