

## ROTARY INTERNATIONAL

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision. For more than 115 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

## THE ROTARY FOUNDATION

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. The Rotary Foundation has achieved a perfect score of 100 on Charity Navigator.
