HOME BUILDING

At the Home Show, we've got our own
Home Show!...a video tape & many illustrations
showing our area builders many styles of homes.

Buying a new home in the Saratoga area now will help fight inflation through
community investments.

PLUS . . . A 8 FT. SCALE MODEL HOME

It took 300 hours for Bill Van Bunschotten to build this cut away model, as a
personal project and it's really worth seeing.

WELCOME

The Saratoga Springs Rotary Club, dedicated to "Service Above Self", welcomes you to the 1975 Home and Outdoor Show.

So that you may enjoy the show to its utmost, a Guide and Map to the many exhibitors is located in the centerfold and an information booth is maintained at the entrance.

Rotary members, wearing "Red Vests" for easy identification, are at your service throughout the building and baby sitting service is provided, at no cost, on the lower level, courtesy of the Hansel & Gretel Day Nursery.

We would like to express our appreciation to all our exhibitors, sponsors and advertisers who helped in making this show a success and we urge you to patronize them.

Thank You for coming.
