Rotary Club of  
Saratoga Springs

The Rotary Club of Saratoga Springs welcomes you to the 51st Saratoga Home & Lifestyle Show! The 2025 show is made possible by the continued major sponsorship of the Adirondack Trust Company. The club also greatly appreciates our long-term support sponsors including Granite & Marble Works Inc., Cudney's Cleaners, Sterling Manor Financial LLC, Stewart's, and Independent Contractor Supply.

Our first show was held in 1973 to connect local businesses with community members and raise funds to distribute to local charities. Past recipients of home show proceeds include the Franklin Community Center, AIM Services, Saratoga Regional YMCA, Wellspring, and the Saratoga Springs Community Center. The show's continued success has enabled us to also direct funds to international projects such as Drilling for Hope, Impactful Education, and the worldwide quest for polio eradication.

The largest beneficiary of the Saratoga Home & Lifestyle Show is the Saratoga Springs Rotary Education Foundation. Your continued attendance and support from our exhibitors

allowed the foundation to award more than \$88,000 to local students in 2024. These scholarships are awarded to those pursuing a degree at accredited two- and four-year colleges or vocational educational institutions.

Our club is involved in more than providing financial grants. We work to make a difference in our community by bell ringing for the Salvation Army, participating in home improvement projects with Rebuilding Together, laying wreaths at Saratoga National Cemetery, volunteering for local 5k races, and planting trees in local parks.

We were proud to celebrate our club's centennial in 2024. This represents a long history of being deeply ingrained in the Saratoga community. As a club, we are always seeking new members who share our commitment to "Service Above Self." You can contact us at [wbergan50@gmail.com](mailto:wbergan50@gmail.com) for more information about becoming a Rotarian. Please be sure to visit us at our Rotary booth during the show. We greatly appreciate your support of the club, exhibitors, and sponsors. Enjoy the Show!

# SERVICE ABOVE SELF

## ROTARY'S MOTTO IN ACTION

The Rotary motto, "Service Above Self," drives our membership to do good things in our own community as well as for communities around the world. Our membership shares a love of Saratoga with a strong desire to make it better for everyone who lives here. Weekly club meetings not only encourage camaraderie but provide opportunities to network with local business leaders and learn more about our community through a series of scheduled speakers. Rotary welcomes new members at any time.

The Rotary Home & Lifestyle show makes it possible for the Rotary Club of Saratoga Springs to financially support our community's 501(c)(3) organizations as we strengthen community spirit. The Club expects to raise \$80,000 from this year's event. Over the course of the year, these proceeds are re-distributed to community organizations, educational scholarships and international humanitarian projects.

## ROTARY SUPPORTS LOCAL NON-PROFITS

The Rotary Club of Saratoga Springs makes monthly and annual financial gifts over the course of each year:

- **Monthly Gifts:** Every month the club makes charitable contributions to worthy non-profit organizations in amounts ranging up to \$5,000. We eagerly accept letters describing your organization's needs other than operating costs. Please include specifics about how Rotary can help. On average, Rotary supports by giving over \$30,000 in local giving to over 30 charities each and every year!

- **Major Gifts:** The Club awards a Major Gift biennially, typically ranging from \$10,000 to \$40,000, to area organizations seeking to complete a specific project. Please visit our website to learn more and apply!

Criteria for these donations are explained on the club's website at [saratogaspringsrotary.org](http://saratogaspringsrotary.org)

You may also get general information at the Rotary booth on the main floor of the Home & Lifestyle Show.

# ROTARY SUPPORTS INTERNATIONAL RELIEF EFFORTS

Part of Rotary's mission involves donating to world disaster recovery efforts and improving life for citizens in developing countries. The Saratoga Springs Club sent Shelter Boxes for war refugees in Syria and typhoon victims in the Philippines, funded well construction in Rwanda and supported Pure Water for the World.

## ROTARY SUPPORTS EDUCATION

The Saratoga Springs Rotary Education Foundation raises funds to give financial scholarships to deserving high school seniors who plan to pursue additional education. The Foundation (SaratogaSpringsScholarships.org) is a 501(c)(3) charitable organization which partners with the Rotary Club of Saratoga Springs to award scholarships. The Saratoga Springs Rotary Education Foundation awarded \$100,000 in scholarships to 15 local students.

One-year scholarships ranged in amounts from \$2,500 to \$6,000. In addition, one high school senior is selected to receive our Presidential Scholarship. The winner of this award receives \$5,000 per year for four years. The winner of the Presidential Scholarship is Elaina Jacob who will attend University at Buffalo to major in Biomedical Sciences. Miss Jacob gave an impassioned thank you after receiving the scholarship. She told the attendees that she was born in Syria, escaped the war with her family and was grateful to be in the United States pursuing her dream of going to college.

## Rotary International

Did you know you can travel to almost every part of the world and find a Rotary Club? Rotary is a global network of 1.2 million neighbors, friends, leaders and problem-solvers who see a world where people unite and take action to create lasting change across the globe, in our communities and in ourselves.

Solving real problems takes commitment and vision. For more than 110 years, Rotarians have used their passion, energy and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Rotary members believe we have a shared responsibility to take action on our world's most persistent issues. Rotary International's 35,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

We provide service to others, promote integrity and advance world understanding, goodwill and peace through our fellowship of business, professional and community leaders.

## Rotary Works to End Polio

For more than 30 years, Rotary has been working to eradicate polio. Polio, or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person, typically through contaminated water. It can then attack the nervous system.

Rotary has reduced polio cases by 99.9% since its first project to vaccinate children in the Philippines in 1979. We've helped immunize more than 2.5 billion children in 122 countries. Rotary has contributed more than \$1.8 billion toward eradicating the disease worldwide.

Today polio remains endemic only in Afghanistan, Nigeria and Pakistan, but it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years polio could paralyze as many as 200,000 children each year.

# ROTARY CELEBRATES SERVICE

## 2024 SENIOR CITIZEN OF THE YEAR AWARD

Annually, the Rotary Club of Saratoga Springs' Senior Citizen of the Year award honors a Saratoga County resident, aged 65 or better, who demonstrates the Rotary principle of "Service Above Self."

The Rotary Club selected Jean Fei as its Senior Citizen of the Year and awarded \$1,000 to her charity of choice - Seven Dancers Coalition. Fei's involvement in the community has included programs with organizations SEAD, Saratogians for Equality and Acceptance of Diversity, Annual Diversity Day Celebration for Saratoga, Respecting Difference Writing Contest for 8th and 9th Grade Students, Saratoga Day of Giving Thanks Celebration, Terrace Kids in Action, and others.

At age 17, Fei moved to Saratoga to attend Skidmore College, and her earliest jobs included waitressing at Caffe Lena's when Lena Spencer was in charge. "I lived in Seattle, Washington where I was born, and grew up in Beirut, Lebanon, Dhaka, Bangladesh, Paris, France, Monrovia, Liberia, Madison, Wisconsin and Chevy Chase, Maryland," Fei said, in a statement. "I settled here and have never left."

If you know a Saratoga County senior whose volunteer service is exemplary, please consider nominating them for this award. Nominations are due this spring, and forms can be found on the Rotary Club of Saratoga Springs website, at [saratogaspringsrotary.org](http://saratogaspringsrotary.org). The award, which includes a donation to the Saratoga County non-profit organization of the honoree's choice, will be given at the club's spring meeting.

## WITCH WALK SOSA

**Saturday, March 2, with TWO performances:  
1:30 p.m. and 3:15 p.m.**

### Come and see what they have planned for us!

Established in 2005 in Ballston Spa, New York as a fundraiser to help raise thousands of dollars in donations to support animal organizations, Witch Walk SoSa (Southern Saratoga) has grown to over 500+ witches and includes the Witch Way Wanderers Dance Troupe. The event, now located in Saratoga Springs, is striving to reach more people and to include more activities (vendor market, raffle and year-round dance opportunities). Witch dances by the Witch Way Wanderers Dance Troupe are modeled on the dances by the Wolfshager Hexenbrut witches of Germany. We perform these as well as some that have been shared among other witch dance groups in the northeast, and some choreographed by our own members.

Beautiful Downtown Saratoga Springs has welcomed and supported our event, which continues to grow each year, allowing us to donate thousands of dollars to local animal shelters and organizations. Our goal is to entertain, make you laugh, and maybe encourage you to join in a dance or two!
