

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons unified in the ideal of service.

Rotary is a global network of community volunteers. Its members are business and professional leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world.
