What is the MicroSociety Program?

Micro runs 4 days a week from 1:45-2:45 Monday –Thursday.

Prior to the official commencement of Micro, students participate in Leadership Academies such as the Finance Academy (CFO), the Management Academy (CEO) and Law Academy (Safety Patrol).

After our Government, Legislators and Safety Patrol are elected, the CEO and CFO candidates interview and are interviewed for each business, venture, agency.

The CEO and CFO then lead the Job Fair for their business/agency. At this job fair, students hand in three copies of their resumes to businesses they would be interested in working with. It is the responsibility of the CEO and CFO to create the job description boards that will get them the best possible employees for their business.

Some quotes emailed to us from International and National Visitors

“I’m certain this visit helped us accomplish our goals in entrepreneurial education” ~ Eduardo Sousa Amaral-Sebrae/PR

“You cannot imagine how the delegation is expressing their satisfaction with MicroSociety through this visit.” ~Ana Maria Harmatiuk, Brazilusa Turismo

“This visit gives me hope. I think the best thing is the character education piece. How respectful, cordial and engaged your students are.” ~ Brian Johnson, Tilden Middle School, Philadelphia School District
