- For middle school students (grades 6 through 8) and high school students (grades 9 through 12), the allotted time for each speech is between five and seven minutes. Contestants will be penalized if their speech is less than 4 minutes and 30 seconds or exceeds 7 minutes and 30 seconds.
- For elementary school students (grades K through 5), the allotted time for each speech is between three and five minutes. Contestants will be penalized if their speech is less than 2 minutes and 30 seconds or exceeds 5 minutes and 30 seconds.
- Speeches are meant to be delivered, not read. While notes are permitted, contestants should not read their speeches from a script.
- **During their speeches, contestants may not identify the school that they attend, either by words, symbols, clothing, or otherwise.**
- All contestants must submit video recordings of their speeches, made in accordance with the video recording requirements set forth below, at or before **11:59 p.m. on March 31, 2023**. Contestants who are not able, or do not wish, to make their own video recording may schedule a time with the Yonkers Rotary Club to have their speech video recorded for them. Contestants are not scored differently whether they submit their own recording or schedule a time with the Yonkers Rotary Club to have their speech video recorded for them.
 - To the extent possible, contestants in any age group who wish to upload their own video recordings should submit their videos in one of the following formats (listed in no particular order): MP4; MPG; MPEG; MOV; WMV; AVI; FLV; or, MKV.
 - To the extent possible, contestants who wish to have their speech video recorded for them by the Yonkers Rotary Club should be accompanied to the video recording session by a parent or legal guardian, but in any event may be accompanied to the video recording session by up to two guests.
 - Contestants in any age group who wish to have their speech video recorded for them by the Yonkers Rotary Club will be offered time signals during their speech. If the contestant accepts, a contest coordinator present

in the contest room will display a green card when five minutes of speaking time have elapsed (three minutes for elementary school contestants), a yellow card when six minutes of speaking time have elapsed (four minutes for elementary school contestants), and a red card when seven minutes of speaking time have elapsed (five minutes for elementary school contestants).

- After the close of registration, contestants will be scored by at least three judges on demeanor, introduction, content, conclusion, and delivery. A sample scoresheet is available online. Once the results of the preliminary round have been announced, contestants may request copies of their scoresheets by emailing speechcontest@yonkersrotary.org.

- Finalists will be scored in the final round by a panel of at least five judges on the same criteria as the preliminary round.
- Based on the scores of the final round judges, the finalists will receive plaques recognizing their participation in the final round, and cash prizes corresponding to their age groups:
 - For high school students (grades 9 through 12), the prize for first place is \$500; second place is \$400; and, third place is \$300.
 - For middle school students (grades 6 through 8), the prize for first place is \$400; second place is \$300; and, third place is \$200.
 - For elementary school students (grades K through 5), the prize for first place is \$300; second place is \$200; and, third place is \$100.
- In the event of a tie, in any age group, either among contestants in the preliminary round that would determine the finalists for that age group or among finalists in the final round, ties will be broken, first, by that round’s judges’ preference (i.e., which tied contestant/finalist was scored higher than the other tied contestant/finalist by more judges). If the tie remains, then ties will next be broken by determining which contestant or finalist has the highest combined score after subtracting that contestant or finalist’s lowest score in the round. If the tie remains, then ties will next be broken by determining which contestant or finalist was awarded more 5s on that contestant or finalist’s scoresheets among all of the round’s judges, then, if the tie remains, determining which contestant or finalist was awarded more 4s, then 3s, and then 2s.
- The Rotary Club of Yonkers-East Yonkers and the Historical Society of the New York State Courts reserve the right to amend or change these rules at any time as they deem necessary. **Contestants are responsible for checking whether these rules have been updated prior to submitting their videos, and are responsible for complying with these rules as they may be updated.**
