

# **Carlisle Rotary Club**

## **Expectations of New and All Active Members**

### New Members

New Members are issued a red name badge upon joining the Club. In order to change this to a blue name badge, new members must do four of the following five tasks (within the first six months in the Club):

- Read and understand the Club's constitution and bylaws (mandatory)
- Give a classification talk on your work field and background (mandatory)
- Attend a monthly Board meeting
- Serve as a lunch meeting greeter at least once
- Refer a new member or bring a guest to lunch.

New members are, as are all members, expected to participate in putting on the Roast Beef Dinner fund raiser held in June or early July of each year. In addition to working the event, new members are part of the cleanup crew at the end of the evening. All members are expected to buy or sell at least ten tickets for the Dinner, currently priced at \$8 each for a total obligation of \$80.

### All Active Members

All active members are expected to do the following.

- Pay Club dues promptly when billed.
- Sign up for and participate on at least one committee of the Club.
- Participate in/help with/support special projects of the Club (e.g. flower watering, Christmas in July, park cleanup, Christmas Dinner auction, etc.).
- Make an annual tax deductible contribution to the Rotary Foundation. The Club fiscal year is July 1 through the following June 30. A suggested minimum contribution is \$25, although higher amounts are encouraged, while lesser amounts are acceptable. Those individuals who contribute \$100 or more in a year to the Rotary Foundation are noted in the Club Directory as Sustaining Members.
- At Club meetings, be attentive to guest speakers and refrain from holding side conversations while others are speaking.
- At all times, respect the opinions of fellow Rotarians and be supportive of and refrain from being disrespectful of fellow Rotarians and Rotary activities.
