

Rotary Club of Colonial Park Foundation

Mechanical or Electrical Scholarship Application 2018

Name

Rotary Club of Colonial Park Foundation ("Foundation") Mechanical/Electrical Engineering Award ("award").

Purpose and who is eligible

The award shall provide financial assistance to a high school senior student who desires a degree in Mechanical or Electrical Engineering. If no students apply for a scholarship in Mechanical or Electrical Engineering, scholarship requests shall be accepted for Chemical or Industrial Engineering as an alternate award. The student must currently attend Dauphin County Technical School, Central Dauphin East High School, Central Dauphin High School, Bishop McDevitt High School, or Harrisburg Christian School. The source of funds for this scholarship is from the Rotary Club of Colonial Park Foundation. The Foundation will receive this donation annually and will then be responsible for distribution and follow-up to a qualified candidate. The student must show proof of acceptance into a degree program before the scholarship will be issued.

Amount

The amount of the award for one (1) academic year can be up to \$10,000, including tuition and books. There can be one award offered each year, but the total amount shall not be more than the amount received annually by the Foundation from the donor. The recipient of the scholarship must show proof of a financial need.

Terms of Award

The student must demonstrate mechanical aptitude to be considered for this scholarship. The student must be accepted into a degree program before the scholarship shall be awarded. The student may be a recipient of another scholarship. The award will not be given for an additional academic year. However, if no high school senior applies for this scholarship the scholarship could be granted to the previous year's winner. The student must have a minimum 3.0 GPA or equivalent based on a 4.0 scale.

Upon completion of each college semester the student must send a transcript of their mid-term or year-end grades to the Foundation to show a 3.0 average or better to continue to receive award funds for the next semester. The recipient shall submit the invoice from the school they are attending or will attend for the semester to the Foundation for direct payment to the school when received. Funds will be issued on a semester basis for an amount up to five thousand (\$5,000) for tuition and fees, (or less if the semester costs are less) at the beginning of each semester payable to the academic institution in the student's name. If any funds remain after payment of tuition and fees, the student may be reimbursed for textbooks upon submission of proper documentation. The total award for tuition, fees and textbooks will not exceed five thousand (\$5,000). At the completion of the first semester the student may apply for another award up to five thousand (\$5,000) for the next semester if all requirements are met. Any cost to the individuals over the scholarship award will be the responsibility of the student receiving the award.

The Foundation will review all applications prior to the beginning of each school year and prior to the start of the following semester. Timelines will be given to the student receiving the award with dates applications are due for the next semester.

If there is no activity in this scholarship award for one (1) year from date student is notified they have been awarded the scholarship, the scholarship will terminate, and no funds will be released from that date forward.

Scholarships shall not be awarded to any member or immediate family member or relative of the Rotary Club of Colonial Park or the Rotary Club of Colonial Park Foundation.

Criteria

This scholarship is based on the following areas in order: Financial need, Mechanical Aptitude, School service, Community service, Academic achievement with a minimum GPA of 3.0.

Application Process

Students shall apply via hard copy. Applications for this scholarship can be found on the Rotary Club of Colonial Park website www.colonialparkrotaryclub.org under the CP Rotary Foundation tab. Then click on the scholarship for "Mechanical/Electrical Engineering." Each application form shall be completed by the student and shall also include the following: 1) final approved FAFSA form OMB 1845-0001, Electronic Student Aid Report (SAR); (2) an official current transcript of the student's grades with a minimum of a 3.0 GPA; (3) a letter of recommendation from the student's guidance counselor; (4) list of other scholarships the student has applied for; (5) a letter of recommendation from two individuals in the community who have known the student for a minimum of five (5) years; (6) an essay of up to 300 words why the student needs the financial assistance; and (7) financial aid documentation as listed above. The student may be asked to meet with the scholarship committee for a personal interview and will be informed of the meeting time and location. The student must be accepted to a degree program as listed in the Purpose before the scholarship will be awarded.

In addition to the above application requirements, the student must also submit the following up to 300 words:

For Electrical or Mechanical Engineering – describe how you learned about Electrical or Mechanical Engineering, why you would like to study in this program and how it fits within your future goals and what your plans are once you graduate. Include any experiences (e.g. work, research, leadership, or extracurricular) that have been important to you. In addition, briefly address any of the following only if it applies to you:

-If you have overcome personal hardship or barriers that impacted your educational pathway.

-If your intent is to pursue more than one major, please provide an intellectual or career justification for the double-degree.

Alternate Program

For Chemical or Industrial Engineering – describe how you learned about Chemical/Industrial Engineering, why you would like to study in the program and how it fits within your future goals and what your plans are once you graduate. Include any experiences (e.g. work, research, leadership, or extracurricular) that have been important to you. In addition, briefly address any of the following ONLY if it applies to you:

-If you have overcome personal hardship or barriers that impacted your educational pathway.

-If your intent is to pursue more than one major, please provide an intellectual or career justification for the double-degree.

Scholarship Application

Full Name _____

Home Address _____

Home Phone _____ Mobile Phone _____

Email Address _____

High School _____

School and Community activities – use additional paper if necessary

1. List your community and school service activities and years

2. List your extra-curricular activities and years
