

Rotary Club of Colonial Park Foundation *Jamison Lindsey Memorial Actuarial Scholarship 2021 Application*

Name

Rotary Club of Colonial Park Foundation ("Foundation") Jamison Lindsey Memorial Actuarial Scholarship ("award").

Purpose and who is eligible

The award shall provide financial assistance to a high school senior student who desires a degree in the field of actuarial science. The student must currently attend Central Dauphin High School, Dauphin County Technical School, Bishop McDevitt High School, Harrisburg Christian School or Central Dauphin East High School. The source of funds for this scholarship is from the Rotary Club of Colonial Park Foundation. The Foundation will receive this donation annually and will then be responsible for distribution and follow-up to a qualified candidate. The student must show proof of acceptance into a degree program before the scholarship will be issued.

Amount

The amount of the award for one academic year, if all criteria is met, can be up to one thousand five hundred dollars (\$1,500). There can be one award offered each year, but the total amount shall not be more than the amount received annually by the Foundation from the donor. Scholarships are based upon funds being received each year from the donor and could be subject to change. Total scholarship funds will be distributed at the beginning of the first semester in the student's name to the college they are attending.

Terms of Award

The Foundation shall consider students meeting the following criteria: Students must be enrolled full time in college to be eligible. The student must show proof to the Foundation that he or she has been accepted to an accredited post-secondary educational institution with a minimum of six (6) credits for each semester for an actuarial science degree before the scholarship shall be awarded. The student must maintain a 3.0 GPA overall while attending college. The student may be a recipient of another scholarship. The award may not be given for an additional academic year.

The recipient shall submit the invoice from the college to the Foundation for direct payment to the college they are attending. Funds will be issued for the first semester for an amount up to one thousand five hundred dollars (\$1,500) for tuition and fees, (or less if the semester costs are less) to the college in the student's name. If any funds remain after payment of tuition and fees, the student may be reimbursed for textbooks upon submission of proper documentation. The total award for tuition, fees and textbooks will not exceed one thousand five hundred dollars (\$1,500) per year. Any cost to the individual student over the scholarship award will be the responsibility of the student.

If there is no activity in this scholarship award for one (1) year from date student is notified they have been awarded the scholarship, the scholarship will terminate, and no funds will be released from that date forward.

Scholarships shall not be awarded to any member or immediate family member or relative of the Rotary Club of Colonial Park or the Rotary Club of Colonial Park Foundation.

Criteria

The applications submitted will be reviewed and decision of award will be based on community service, school service and academic achievement with a minimum GPA of 3.0

Application Process

Students shall apply via typed PDF. Applications are available through each school's guidance office or on-line to download at www.colonialparkrotary.org. Applications cannot be submitted through the web site. Applications must be typed, printed and submitted as a PDF. Each application form shall be completed by the student and shall also include the following:

- 1) An official current transcript of the student's grades with a minimum of a 3.0 GPA; 2) a letter of recommendation from the student's guidance counselor and one (1) current teacher; 3) list other awards the student has applied for; 4) a letter of recommendation from two individuals in the community who are not in the education field, nor related to the applicant, who have known the student for a minimum of five years (5); 5) Describe in 400 words or less what major you will be taking, why you would like to study in this program, what do you plan to do with your degree and how are you going to make a difference in your community after graduation; and 6) a letter of acceptance into an actuarial science college degree program. Include any experiences (e.g. work, research, leadership, or extracurricular activities) that have been important to the student and assist in meeting the criteria. Any current working or volunteering in the actuarial science field will be helpful. **Failure to submit any of the above documents will result in elimination of the application.**
- 2) The student may be asked to meet with the scholarship committee for a personal interview and will be informed of the meeting time and location. The student must be accepted into a degree program as listed in the Purpose before the scholarship will be awarded.
