- Continue to influence our youth with positive experiences

DELONE INTERACT

- Living up to their school motto of being "Doers of the Word," the Interact Club at Delone Catholic High School (McSherrystown, PA) has not allowed the pandemic to stop their good deeds! This group of young people has connected to their community in several ways that include a non-perishable food collection that was donated to Roots for Boots, a 501c3 that hosts a food bank for veterans in need; a school wide toy drive for Toys for Tots; a garden clean-up on the school grounds; 125 handwritten Thanksgiving cards for residents in local nursing homes, and they will be participating in the Boxes of Joy program through Cross Catholic Outreach. Caught doing good, these students are to be commended for all of their accomplishments that have truly made a difference to others by putting service over self! ENHANCE PARTICIPANT ENGAGEMENT

Continue to encourage members to participate in Rotary leadership development programs – The goal this year is five

Have 40 members participate in local service projects

INCREASE OUR ABILITY TO ADAPT

We will continue to adapt as our situation changes with COVID 19. We will continue to find ways to do our work and make our club appealing as we have done with our virtual meetings. Everyone knows change is the only constant and everything else is in constant change and I believe we are very fit to take on the challenges of this year.
