

Nomination Criteria for the Rotary Club of Harrisburg

Community Service Award

Demonstrated Commitment to Service: Nominees must have a proven track record of dedicated service to the Harrisburg community, consistently going above and beyond to make a positive impact.

Impact: Nominees should have initiated or contributed to projects or initiatives that have significantly benefited the community, demonstrating creativity and effectiveness in addressing local needs.

Leadership and Collaboration: Nominees should exhibit strong leadership qualities and a collaborative spirit, actively engaging with community members, organizations, and stakeholders to achieve common goals and create lasting change.

Ethical and Responsible Conduct: Nominees must uphold the Four-way Test and ethical standards and demonstrate integrity in their service activities, acting as positive role models for others in the community.
