PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place. RCWS Rotarians have donated in excess of $315,000 towards these causes.

Currently, we are working with various partners on the following projects:

- Providing care kits to the Domestic Violence Services of Cumberland and Perry Counties
- Support of youth (high school) leadership training
- Partnering with Yes Liberia and other Rotary clubs to provide transportation to school children in Liberia
- Financial support to many local organizations including Vickie's Angel Walk, Earl Besch Project (Lions Foundation), Friends of West Shore Theatre, Camp Hill Fire Department, Mission Central, and New Hope Ministries just to name a few.
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

Check out what our members are saying:

"Being a member of Rotary allows me to give back in ways that aren't work or church activities. I widen my circle of friends, see different needs, and ways in which I can help with some of those needs."

"Thanks to Rotary, I've made new friends and gotten to experience things that I likely would have missed out on. Rotary definitely has given me a local and global perspective!"
