Rotary International is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Our mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Flags for Heroes allows the Rotary Club of the West Shore to thank those who give selflessly while continuing to support local projects and initiatives .
