A Message from our President

(NOTE: In preparation for tax season and NOT COVID-19, Hunter prepared this message back in December 2019. He is organized!)

Hello York East Rotarians!

Rotarians are People of Action

Our tag line this year is: Rotary Connects the World.

The “how do we do this” is where the people of action comes in. The rotary website has a long list of actions that our member base are participating in that helps to connect the world. Last rotary year the collective 1.2M members of rotary logged 16M volunteer hours. This stat is likely very low since it requires clubs to log the activity for it to be picked up. Additionally, 2.5B children have been immunized against polio. There are two inspirational stories featured on my rotary along with a link to other related stories (<https://www.rotary.org/en#page-content>). I would like to encourage each of you to visit my rotary and read a few of these stories.

Yours in Rotary service,
Hunter

York East Greeter Responsibilities

Sooner or later we hope to once again be able to greet each other face-to-face with a smile, in person at Heritage Hills. When that happens, please remember that there is a **Checklist for Greeters available for us in the tub**. Please be sure to leave the checklist at the top of the tub for greeters to be able to access each week. Thank you!
