A Message from our President

Hello York East Rotarians!

Rotary Opens Opportunities. What a simple but profound message! Rotary International President Holger Knaack revealed this year's theme at the International Assembly in San Diego, just as the COVID-19 crisis was beginning. And yes, although we are in the midst of a global pandemic, we do have tremendous opportunities that await us. Think about your own personal Rotary journey. Whether it be decades or months, what opportunities have been opened to you that if not for this club? New friendships? A new job? A new business idea? A way to serve and give back to a community that has provided you with so much? Regardless of your reason for joining, I have no doubt that this club and the Rotary name has provided each of you with countless opportunities.

As we begin a new Rotary year, let's keep an open mind to opportunities that may be extended to us. For example, our district and club offer wonderful opportunities to its members:

- **Billboard Campaign**
 - District 7390 has partnered with Lamar Advertising and will be looking to promote our work in three specific areas: Membership Development, Polio Plus and Service Projects.
- **District Development**
 - District 7390 is providing a virtual forum for Rotarians to consider, discuss and apply new and relevant topics pertaining to Rotary. These sessions are scheduled for the 2nd Monday of each month from 6:00 pm to 7:00 pm. Planned topics include: Club Runner and You, District Grants Training, Diversity, Equity, Inclusion and Intention, Rotary Resources for You and Your Club and Social Media Savvy.

- **Service Opportunities**
 - District 7390 is currently looking for a District Treasurer and individuals to serve on its Safety Committee.
- **Service Projects**
 - Get involved in one of our many club sponsored service projects, such as: Serving a meal at Our Daily Bread or the Catholic Harvest Food Pantry, Clean-up of the Gold Star Memorial Garden or Mt. Zion Rd and, fingers crossed, a Habitat for Humanity Home Build.

Maybe these opportunities aren't for you, and that's ok. However, I strongly encourage each and every one of our members to look for opportunities to get involved and make a difference in the life of another.

Yours in Rotary Service,

Kyle
