## Building Communities Bridging Continents

The world's first service club, the Rotary Club of Chicago, was formed in 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name derived from the early practice of rotating meetings among members' offices. As it approached the 21st century, Rotary worked to meet society's changing needs, expanding its service efforts to address such pressing issues as environmental degradation, illiteracy, world hunger, and children at risk. Today, 1.2 million Rotarians belong to over 32,000 Rotary clubs in more than 200 countries and geographical areas.

**York East Rotary meets every Tuesday morning at 7:30 a.m. at Heritage Hills.**
