It's never too late to volunteer to serve as a New Member Mentor

We would like to make sure all new members feel comfortable and welcomed when joining our extensive group. With such a large number of attendees, committees and volunteer opportunities, we are putting together a welcome packet for newly inducted members to help ease each person into the club. As members join, we are also hoping to partner them with a mentor to help them get familiar with the group and how we run our weekly meetings. Please reach out to Friedel Liebe-Elser if you are interested in stepping up to be a friendly mentor for these new faces.
