A Message from our President

My dear Rotarians of East York,

I hope that you were all able to really celebrate the accomplishments of your many goals, achievements and successes in 2018 with your family and friends. You can all appreciate the considerable amount of effort and work that is required to be successful.

I hope you also will take the time to be grateful and recognize all of the wonderful things that you have and all the things you are able to do because of those efforts. I applaud you for your amazing contributions. As Rotarians, we take pride in fulfilling the many wishes people make during the holiday season for bringing peace on earth and goodwill to humanity. We are all about bringing peace through conflict prevention and resolution, comfort, safety, sanitation, medicine and education through our Rotary mission to meet the needs of so many people here in our community and throughout the world. This is what it means to "Be the Inspiration" and to make the Rotary difference.

May we all continue to succeed in our goals and ambitions in 2019 by bravely and selflessly working to be the inspiration and the solution to problems wherever we are. May you have a very prosperous, successful and happy new year!

Ben

Yours in Rotary service,
Ben Marchant
