A Message from our President

Hello York East Rotarians!

Rotary's Strategic Plan (Part 2)

Priority Item 2 – Expand our Reach

Here are the primary initiatives within this area:

- Grow and diversify our membership and participation
- Create new channels into Rotary
- Increase Rotary's openness and appeal
- Build awareness of our impact and brand

When our district governor was installed, a member of Rotary International's Board of Directors was in attendance and made it very clear that Rotary understands its structure was very effective for its first 100 years of existence but would be unable to sustain itself 30-40 years from now. Member organizations such as Rotary have been experiencing significant declines in membership especially within the United States of America. Rotary membership levels have been relatively flat at 1.2M members. Internationally, Rotary has been growing but that growth has been negated by the declines here in America.

Based on the bullets noted above, we are being empowered by Rotary to NOT just follow the prior established protocol. We have the ability to be nimble and flexible to support these initiatives.

Yours in Rotary service,
Hunter
Hunter Mink, President

Checklist for York East Greeters

Many of us are unclear of our responsibilities/duties as a greeter. **A checklist for greeters is now available for us in the tub.** Please be sure to leave the checklist at the top of the tub for greeters to be able to access each week. Thank you!
