A Message from our President

Hello York East Rotarians!

Robert K. Greenleaf first coined the phrase “servant leadership” in his 1970 essay “The Servant as a Leader.” As a servant leader, you’re a servant first. Your focus is on the needs of others, especially team members, before you consider your own selfish thoughts.

As Rotarians, our motto is “Service Above Self.” The Rotary motto not only conveys the humanitarian spirit of our organization, but should serve as a daily reminder of how we can and should help others in place of our own selfish needs.

Hunter has embodied these very principles over his year as club President. I would like to thank him for his leadership, vision, service, stewardship, guidance and friendship. I believe it is everyone’s goal to leave an organization better than they found it, and Hunter has done just that. I feel confident speaking for the entire membership when I say “thank you” for making us better.

I am honored to serve this club as its next President and look forward to working with each of you to further expand Rotary’s footprint in the York Community. My goals for the upcoming Rotary year are as follows:

- 1) Increase membership
- 2) Increase member participation in committees and service outreach
- 3) Increase scholarship and non-profit giving
- 4) Create an alternative meeting format
- 5) Create a mentorship program

I look forward to further discussing these exciting goals in the coming weeks!

Yours in Rotary Service,

Kyle
