A Message from our President

Hello York East Rotarians!

Thank you for the opportunity to serve York East with you this coming Rotary year. I would like share my thoughts on several focus areas that I feel are important to the ongoing success of the Club as we move forward together. These areas of focus are:

1. Membership, both retention and recruitment – suggested goal is net 3 new members, and 90% retention.
2. Education – suggested goal of increased understanding by the membership at large of the responsibilities of our committees, and the many ways in which the entire membership can be of support.
3. Foundation – suggested goal is to provide the membership with a greater level of **awareness** of how the Foundation works, and how our donations support others throughout the world, the District, and even our own club.

I believe this information would be of great benefit to all of us as York East members and to our membership retention levels and recruiting efforts - especially with the younger generation. Additionally, it may help in our overall giving efforts.

I sincerely welcome your suggestions, input, thoughts, etc. that might enhance our growth and continued success going forward. Together we can identify several simple actions steps to assist our committees' efforts in pursuing their goals and benefit the overall health of our Club.

Yours in Rotary Service,

Sandi

Sandra Graham, President
