A Message from our President

Greetings Rotarians of York East!

The Rotary Club of York East is a shining example of people in action. As your soon-to-be past-President, I want to thank you for this extraordinary experience that serving in this role has meant to me. I feel so blessed for this year of learning, this year of growth, and this year of making a difference.

This opportunity to serve the club has given me a front row seat to observe and admire all of the noble actions that you (collectively we) have performed, as friends and neighbors, coming together to solve problems, share ideas, join leaders and take action to create lasting change. I'm glad we can say that we do not measure our impact by the number of casual good intentions that we might have wished for throughout the year. Rather, I am proud of the fact that, as a club, we put our money where our mouth is, we walk the walk and we talk the talk.

Sign-up sheets for service opportunities have been filled more often than not. Contributions to the Rotary Foundation, Polio Plus and our Club's Golf Fundraiser have been many and generous. As a club we reached out to many groups in the community and empowered them with our time and means to accomplish so many meaningful, worthy and good deeds. We have provided tremendously valuable medical training and treatment to the people of Malawi through our sponsored mission trip. These specific and direct contributions have yielded and will continue to yield many more compounding benefits.

Like the striking of a flame, our service will be a multiplier for good so that the relief we provided will empower those individuals we helped to be able to carry on the tradition of Rotary and help others in turn to build the community and the world. Thank you for a great year of doing good in the world and valuing Service above self.

Yours in Rotary service,

Ben
