A Message from our President

Hello York East Rotarians!

This past week, Elizabeth shared that she has been asked to spearhead a districtwide committee on mentorship and retaining members. While this has been something that we have continuously addressed as a membership, it's my hope that this exciting announcement will serve as a much needed reminder of its importance in the growth of our club.

Mentor is defined as "an experienced and trusted adviser." A mentor is someone with which you can develop a long-term relationship centered around building the mentee's growth and development. A mentor does not work on a day-to-day basis to help a mentee make decisions, but they are there to serve as someone who can offer support, wisdom, and teaching over time. A mentor may serve as a sounding board for their mentees, and often times play a large role in helping them in their service and leadership.

A few of the benefits of being a mentor are improved communication skills, a reinforcement of our own knowledge in the organization, an ability to broaden our personal network, a sense of fulfillment and growth, and lastly, improved leadership skills.

Regardless of your position in life either personally or professionally, I doubt you have succeeded without the guidance of a trusted mentor somewhere along the way. As opportunities arise at both the district and club level, please consider serving in a mentorship capacity. Not only will this selfless act enrich the lives of others and improve the long-term viability of our club, but I have no doubt that it will increase your own knowledge of this organization that we serve.

Yours in Rotary Service,

Kyle

Kyle G. King, President

We Need YOU to step in line as York East Rotary Vice-President for the 2021-2022 Rotary Year

The **Vice President** falls in the line of succession behind the President Elect, giving this candidate 2 years to learn and prepare for the President's position BEFORE serving as President. Our District 7390 provides wonderful training opportunity for all leadership positions. The York East Board of Directors also offers strong support for it's members. **Please contact Kyle:**

York East Spring 2021 Service Projects:

April 17th - Mt. Zion Road Clean-up

April 24th Clean-up at Gold Start Memorial Garden.

Greg Kern, York East Community Service Chair, is coordinating both these efforts. **Please mark your calendars!**

York East Golf Outing on September 21st:

Put Tuesday, September 21st on the calendar for our Golf Outing at Heritage Hills! If you can help out in any capacity and/or want to serve on the Golf Committee your input is welcome. **Contact Becky Disney:**

York East Dues: What is Covered and What You Need to Pay

As a member of the Rotary Club of York East, your dues not only cover our in-person meeting expenses but also sustain the organization and its legacy of giving. As a member of Rotary District 7390 and Rotary International, we are assessed dues on each member by each of the two organizations.

The Board of Directors decided at our February meeting that we will continue to do virtual meetings through the end of March, deciding in March whether to resume in-person meetings. Because of that, we delayed invoicing you, our members, for the 1st quarter dues typically sent out in January. You will be receiving an invoice in the next week or two for those dues, and you do have the option to pay the normal \$180 quarterly payment for January through March 2021, or pay just the portion of your District and International dues, which is \$40.
