A Message from our President

Greetings my fellow Rotarians,

It is a wonderful and exciting time to be a Rotarian in the Rotary Club of York East! The new vision of Rotary International presented by our District Governor John May inspires us to continue making a difference across the world, in our community and in ourselves.

I feel that our club is already really doing a great job with this vision. We have fantastic programs in the community where we all have the opportunity to volunteer and make a difference; at Our Daily Bread, the Catholic Harvest Food Pantry, the Gold Star Memorial Garden, highway trash pick up, youth scholarships, Rotary Youth Leadership Academy and Safety Town. This year we are also participating in Club, District and Global Rotary grants to Big Brothers/Big Sisters, Leg-Up Farm, New Life for Girls, Susquehanna Heritage Trust and the mission trip to Malawi.

Our weekly club meetings give us the pleasure of enjoying a great community, networking and learning opportunities as we grow and change ourselves for the better. All of these fabulous reasons we have for being a part of this great cause should also inspire us to invite more of our associates to come and learn more about what we are doing in here in York East. More visitors will eventually turn into more members and increase all the more good that we can do.

Thank you for your contributions to the club, to the Rotary Foundation, and to our many activities. Keep up the great work!

Yours in Rotary service,
Ben Marchant

York East & Rotary District 7390 News
