To Whom It May Concern:

On Friday, April 20, 2018, Bethlehem Morning Star Rotarians will be putting on aprons and helping prepare for our annual Bethlehem Morning Star Rotary Spaghetti Dinner fundraiser. All monies raised from this event go back to our community in the form of grants. Over the years, we have supported local groups such as the Special Olympics, Victory House, Hogar Crea, the American Red Cross, New Bethany Ministries, Big Brothers/Big Sisters, the Cancer Support Community, Lehigh Valley Children's Centers, and YWCA of Bethlehem to name a few.

I am reaching out to you at this time to request the donation of food items or a Gift Card to help purchase supplies for the upcoming Spaghetti Dinner fundraiser being held at the Cathedral Church of the Nativity. We will also be holding a raffle as part of this fundraiser. Any items or gift cards that could be used for this would also be greatly appreciated. Your organization will be given special recognition for its generosity.

Bethlehem Morning Star Rotary is a 501(c)(3) charitable organization and has been active in our local community since 1989.

Sincerely,

Valerie Walk
