Dear Rotary Club of Emmaus,

The ShelterBox You Sponsored Has Made a Difference.

In their moment of greatest need, a family is now living in the tent you provided. They are using the life-saving equipment you sent. They are out of the elements. They are warm. They are together. Thank you.

Every year, ShelterBox provides support to families around the world who have survived the tragedy of an earthquake, flood, or other disaster or conflict. Working with supporters like you, we are able to provide the equipment necessary to allow families to begin rebuilding their lives. From Haiti to Sri Lanka, from Fiji to the United States, ShelterBox has come to represent hope.

Each disaster is different, and so is every community. We continue to work to provide the shelter materials and supplies that are most appropriate and best-suited to the needs of beneficiaries. While shelter aid has most often come in the form of our iconic green ShelterBoxes over the years, increasingly the contents may differ depending on the disaster, location, and unique needs of each community. This aid may be still be in the form of the traditional ShelterBox, but increasingly it will be one of our ShelterKits, mini-boxes, or simply pallets of heavy duty tarps, blankets or solar lighting – whatever it takes to help families begin rebuilding their lives in times of disaster or conflict.

Now that your ShelterBox is deployed, help us prepare for another disaster – this time by providing a gift to our Deployment Essentials Fund designated solely for the purchase of all types of aid and equipment and any deployment related expenses. Be the difference for another family – make a donation today to help us prepare for tomorrow.

Thank you,
