**What is the deadline for application?** **MAY 1, 2019 is the deadline.** We cannot guarantee a space at the event if your application is received after this date. Additionally, if we fill up prior to May 1st, we will no longer accept applications. It's best to submit your application as early as you can!

**Is there a rain date for Lansdale Day 2019?** No, we make every effort to hold the event as planned on June 1st due to the extensive planning that goes into this event. Scheduling and attempting to hold to a rain date is nearly impossible due to the hundreds of vendors schedules, police and security schedules and volunteer schedules. Please visit our [Rain Date Information page](#) for additional information.

**How many vendors participate in Lansdale Day?** The outside event stretches from Green Street to Cannon Avenue on West Main Street in downtown Lansdale. We have spaces for up to 200 vendors which include art, craft, community marketplace vendors, sponsors, and numerous food and food truck vendors

**Is there a charge for the public to attend Lansdale Day?** No, the event has no entrance fee for the general public. Annually, it is attended by 3000-6000 people. Some larger attractions do have a small fee (ie: ZipLine)

**Is there parking available for the general public and is there an admission fee?** There are numerous public lots available nearby. Most are free on the weekends. There is plenty of free parking along side streets that border Main Street. **Be sure to adhere to the road closures.** Also, in 2019, the NEW parking garage will be open to the public and is located behind Madison Avenue near the railroad station.

**What kind of children activities and attractions are available during Lansdale Day?** We have numerous great activities for kids of all ages! These include strolling clowns, balloon art, sand art, face painting and dog agility shows. We hope to also have several larger attractions such as a V5 Bungee Trampoline, bounce houses & 300' Zip line. These larger activities do carry a small fee. (Visa & MasterCard accepted) Also visit the NEW "Family Fun Zone" to find sand art, henna tattoos, carnival games, live DJ and so much more!

**Why do you require a canopy covering for the booth space I plan to rent?** For several reasons, but the most important is to help protect YOU and your display from wind, extreme sunshine and potential drizzle. Secondly, we require this so a uniform look is provided for this event. Lansdale Day is not a flea market or a garage sale - it is an Art & Craft Festival; and the addition of canopy coverings (as well as tables draped or skirted) provide a touch of class and attract buyers. All vendors (except self-contained food trucks) must have a canopy covering as outlined in the Terms & Conditions form signed by every vendor.

**Where can I send an email for a question I have that is not answered above?** Please feel free to [email our Event Manager at northpennrotary@gmail.com](mailto:northpennrotary@gmail.com) we respond to emails within 2 business days, or sooner! Happy to answer any question you might have!
