

## Welcome to the Rotary Club of North Penn.

*Some FAQs and interesting facts that will be helpful in making your decision to join Rotary  
We hope your interest in our club will be both a pleasant and rewarding experience*

### **What is Rotary?**

- Rotary is a diversified group of volunteers with a common passion for community and world-wide humanitarian service while encouraging high ethical standards in all vocations and helping to build goodwill and peace in the world. Rotary's motto is "Service Above Self"
- The members who get the most out of their Rotary membership are those who participate in the local Club's service projects, programs and activities.
- Rotary International, of which our club is a part, is the largest service organization in the world with many areas of focus for humanitarian aid.
- We recommend visiting Rotary International's official website at [www.rotary.org](http://www.rotary.org) However, any North Penn Rotarian will be happy to answer questions you may have, so please feel free to ask!

### **When was Rotary founded and by whom and for what reason?**

- Rotary International was founded in 1905 in Chicago, IL by Paul Harris, who was a local businessman with high ethical standards who saw a serious humanitarian need in his community
- Knowing he could not do this alone, Mr. Harris reached out to other local business professionals in the surrounding communities with the hope that their like-minded combined efforts could fulfill the humanitarian needs in the area.
- Paul Harris formed this group of business professionals that 'rotated' their meeting location every week in order to discuss and plan how the group as a whole could help each other's community needs.

### **How many Rotary clubs are in the world?**

- Paul Harris's vision has grown into 1.2 million Rotarians worldwide, divided into 35,000 Rotary Clubs
- The entire Rotary International organization is divided into geographic districts.
- The Rotary Club of North Penn is part of District 7430 which is comprised of 43 clubs primarily in Montgomery, Bucks and Berks Counties & the Lehigh Valley.

### **Tell me a little about the Club history:**

- In 1924, the Lansdale Rotary Club was founded and later combined its membership with the North Wales Rotary Club, forming the eventual Rotary Club of North Penn.
- Current membership trends vary between 40-60 members, but there is no maximum limit.

**What are the personal requirements for membership? Are there any restrictions?** We welcome all individuals who are in good standing with their community, have a passion for service and wish to make a difference in the world regardless of religion, race, color, age, sex, ethnic background or nationality by putting Service Above Self.
