

JULY 2021

Dear Friends, community Leaders and Changemakers,  
Greetings From Mohana

Past 25 years of my life I spent with many of you in the community- local, county, state, national or international. I did not know anyone but my service attitude towards and respect for all have proved that – No one is small or BIG.

Once again, I am here on the big platform service as president of Rotary Club of North Penn for year 21-22 and I am thankful and honored for that. That means more responsibility but I am sure that you all will support me with my style (serving attitude) and We Together will try to this year's Rotary theme "Serve to Change Lives"  
My request to all members of the Club S.T.A.R.T.-----Simply Talk About Rotary Today and invite and bring at least one member (Each One Bring One) irrespective of their race, gender, religion, Color, language, profession on 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of every month. More info [www.rotaryclubofnorthpenn.org/](http://www.rotaryclubofnorthpenn.org/) RotaryDistrict7430.org / Rotary.org

Grow More, Do More, Do More Grow More. Make a Big impact—Leaders/Non Leaders, come with your ideas, projects in the upcoming meeting for fun and service through Rotary. My Goal is DEI (Diversity, Equity & Inclusion). Welcome---Anyone age 18 & above –Professional, Business people, Rotaract, Non-Rotarian, Stay at Home Mom, Dad, Anyone who would like to do good in the community and in the world to make our club Vibrant, Diverse and Strong community. "—For 21-22 & Beyond"

The Rotary Club of North Penn helped many organizations with different projects in the community with Lansdale Day Arts & Crafts Festival (our largest Fundraiser), and with supporting many local non-profit organizations such as ----Manna on Main Street, Easter Seals, Kelly Ann Dolan Foundation, North Penn YMCA, North Penn Boys & Girls Club, and RSVP of Montgomery County, Easter Seals, Garden of Health and many, many more.. We encourage service and academic achievement in youth through achievement scholarships awarded to local high school seniors, through the sponsorship of Interact Clubs, and our Four Way Test Speech Contest. The North Penn Rotary Club also invests in leaders of tomorrow by providing local students with free attendance to Camp Neidig [leadership camp sponsored by Rotary District 7430] We also are the host of Lansdale Day Arts & Crafts Festival for the past 44 years, which takes place on the first Saturday of June. This is a day where folks can gather with their neighbors for fun, food and exceptional art & crafts vendors, all while making connections to their local businesses and nonprofits. We continue to support international projects through outstanding Rotary programs such as The Rotary Foundation, Polio Plus (to eradicate Polio from the world), and Shelter Box. We have partnered with other Rotary Clubs to end hunger in Montgomery County by packaging meals for distribution to those in need.

I look forward to seeing you in person at different events----TOGETHER WE INSPIRE. Inspiring others and leading by example – that's what people of action do. Learn more at [www.rotary.org](http://www.rotary.org)

Expand your dreaming power into you doing power!

Have a safe and cool summer with your friends and family and where you are and enjoy 21-22 & Beyond.

Sincerely,  
Mohana Padgaonkar  
President of RCNP 2021-2022
