Dear Friend,

Since 2000, Michael's Feat has helped thousands of local families who are caring for or carrying seriously ill newborns in Monmouth County or Ocean County, New Jersey.

The nonprofit has liaisons in the NICUs at Monmouth Medical Center, Jersey Shore University Medical Center, and at CHOP.

Michael's Feat offers families in need direct financial support, overnight bags filled with supplies for hospital stays, medical equipment, meals, gas cards, and when necessary, respite care and bereavement support.

Three of their NICU nurses will be honored at this event:

- **Patricia Lamberti**, RNC, Neonatal Intensive Care Unit at Monmouth Medical Center
- **Janine Long**, RNC-NIC, Neonatal Intensive Care Unit at K. Hovnanian Children's Hospital at JSUMC
- **Penny Geis**, RNC-NIC, Neonatal Intensive Care Unit at K. Hovnanian Children's Hospital at JSUMC
