DID YOU KNOW...

December 1992 in Harrington, Maine, when wreath maker Morrill Worcester found himself with a surplus of 5,000 wreaths during the holiday season. Worcester saw the surplus as an opportunity to pay tribute to our country's veterans and with the help of Maine Senator Olympia Snowe, arranged for the wreaths to be placed at Arlington National Cemetery. This annual tribute to our country's veterans has continued ever since, touching the lives of millions of veterans' families and volunteers and growing in scope through the years.

In 2007, the Worcester family along with veterans and volunteers formed the non-profit organization Wreaths Across America to continue and expand their efforts at Arlington National Cemetery and to support those around the country who wished to do the same. Wreaths Across America's mission is simple: **Remember** the fallen, **Honor** those that serve, and **Teach** the next generation about the value of freedom. Morrill's wife, Karen, has served as the organization's volunteer Executive Director since the non-profit was created and today oversees what has become a massive volunteer organization that continues to grow. In 2017 alone, Wreaths Across America and its national network of volunteer's place over 1.5 million veterans' wreaths at 1,433 locations in all 50 U.S. states, at sea, and abroad.
