Community Service Grant Guidelines

The Bath Rotary Club is a fellowship of community members who volunteer their time and raise money through fundraising efforts to support and fund local community projects and services.

The Bath Rotary Club accepts Community Grant Service funding requests from local organizations whose requests fall within our general guidelines below. Applications that fit the criteria are not automatically guaranteed funding. The Rotary Club of Bath reviews applications based on our current funding criteria and available resources.

1. Community Service Grants must clearly identify opportunities to ‘brand’ the Bath Rotary Club financial support, through the use of club name and logo in promotional material, newsletter and/or social media.
2. Preference is given to funding requests for specific programs or projects that provide a long lasting positive impact in our community.
3. Service Project priorities are those that benefit children, seniors at risk, address poverty and hunger, support efforts on behalf of the environment and literacy.
4. The Bath Rotary Club is looking for Service Projects that offer not only the opportunity to support financially but also provide our membership with the prospect of directly participating in a ‘hands on’ manner to support the project.
5. The Four-Way Test, followed by Rotarians worldwide in their business and professional lives, will guide in decision making.
 - a. Is it the TRUTH?
 - b. Is it FAIR to all concerned?
 - c. Will it build GOODWILL and BETTER FRIENDSHIPS?
 - d. Will it be BENEFICIAL to all concerned?
