Program: "Megan DeColfmacker Scholarship Fund" history

Megan DeColfmacker was diagnosed with a rare form of leukemia in 1996 at the age of 16. A student at St. Thomas Aquinas H.S., Megan did not let her illness deter her from caring for others and supporting the community she loved. Her parents Dover Rotarian Gary DeColfmacker and South Berwick Rotarian Deb DeColfmacker shared the story of their amazing daughter who passed away in 1999.

The DeColfmacker's gratitude for Dover Rotary's funding of Megan's scholarship is acknowledged every year as they personally present the scholarship to a deserving senior.

Gary D. will be sharing his powerpoint presentation of his incredible daughter with the club.

ROTARY'S 4-WAY TEST of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- The application of the ideal of service in each Rotarian's personal, business, and community life;
- The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
