**President Gregg’s “Wizardly” Year End Comments:**

Pres. Gregg described 2020-21 as “an amazing year”- we set a goal of completing eight service projects and ended up with 28 projects! The club exemplified *Service Above Self* during a challenging year, stayed connected and committed.

He concluded his remarks and his year as President of the Rotary Club of Dover, NH, with a familiar tale about the Wizard of Oz that proved you don’t have to look for a wizard or follow a yellow-brick road to find people with brains, hearts and courage — just look at Rotarians — a collection of wise people who care about each other and want to make a difference.

*You truly made a difference Gregg Dowty - thank you for an incredible year and incredible leadership!*

**ROTARY’S 4-WAY TEST** of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
