Program -

UNH Rotoract Trip to Puerto Rico

We had 2 guests from the UNH Rotaract Club give us an update on their trip to Puerto Rico. Krista and Regina described the devastation experienced from Hurricane Maria. They visited a town outside of San Juan and helped rebuild/repair houses, remove debris, and do some painting. The locals were very friendly and Krista and Regina were very grateful for our support.

Children's Library Project Update - Cathy Beaudoin

We were given an update on the recent completion of the upstairs area of the children's room. Thanks to our club's donation, the library was able to paint the entire room, get all new bookcases, and spruce it up. If you drop in you will notice the difference right away! We also heard about a larger, long term proposal that would involve adding all new furniture (\$30k-\$50k) and moving the children's area upstairs for more space, functionality, and safety for the children. Rotary could potentially get involved along with other donors and the city itself, so stay tuned!

ROTARY'S 4-WAY TEST of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- The application of the ideal of service in each Rotarian's personal, business, and community life;
- The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
