Announcements:

- Team 4 sold 30 boxes to 141 players. Team 1 is up this week. There were 50 people at the door at 3:00. Sheila is looking for volunteers to arrive at 3:00 so we can start ticket sales at 3:15. She is also looking for 3 closers for Thursday.
- The Board met on Tuesday
- Ron R is working on Pavilion maintenance
- Jess C announced that the Garden Planting Day will be May 19 @ 8:30am. (Rain date is May 26). She will send an email with additional information.
- Melissa L announced the next Pease Greeters flight is on Friday, May 18. The flight arrives at 1:25 pm and those interested should plan to arrive 20 – 30 minutes before then.
- Noreen B, Malcom M and Jim M shared the discussion and work that is being done to develop a big idea (or perhaps a few smaller ideas) that will allow the Club to share its increasing financial resources and to make a meaningful difference in our community.
- o Noreen started by sharing quotes from Churchill (good job Tracy deG!), Vince Lombardi, Mark Twain, Yogi Berra, Joe Biden, Donald Trump. The last quote, “Do not go where the path may lead go instead where there is no path and create a trail” was by Ralph Waldo Emerson

- o Jim M shared that our goal is to create a legacy project; one in which we can be proud and brag and that our children will be proud of. We want to make a big difference in Dover
 - o Malcom shared that they met with representatives from the city including the City Manager and heads of Planning, Fire & Rescue, Police and Parks & Recreation and asked them to provide a list of ideas – which they have done. The plan is NOT to share this list with the club yet – as that may limit our thinking – and the request is that club members come up with ideas for what the club could do to fit this bill. The context is that we want to make a difference and that we have a significant amount of money to contribute. Get your ideas to Noreen!
 - o There will also be a meeting with the Dover school district to get their ideas. Once all ideas are collected, the Board will share them with the club for approval.
- Jim M reported that the District Grant application is almost ready for submission pending some additional detail required from the Rochester Club. Thanks to Jim V and Cate R for reviewing the proposal.
 - The next Thirsty Tuesday fellowship gathering will be Tuesday, May 15 at The Farm from 5:00 – 7:00 pm. Bring your friends and family and join in!
 - Phil announced that the Interact Road race has changed date due to a conflict with the SATs being held at the High School the same day as race day. The Interact Club will now join with the Garrison 5K road race on Sunday, June 3 @ 9:00 am. There will be a separate fee for the color run portion. Money raised through donations and registration will still go the Grassroots Soccer in Africa.
 - Barb Miller (Portsmouth Visiting Rotarian) shared that there will be a Rotary Day at Northeast Delta Dental Stadium to see the Fisher Cats. The game is at 1:35 pm and the \$36 pp cost covers the ticket, a 90-minute all you can eat buffet, a rally towel giveaway and kids get to run the bases after the game. All are welcome to attend.

ROTARY'S 4-WAY TEST of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

THE OBJECT OF ROTARY is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- The application of the ideal of service in each Rotarian's personal, business, and community life;
- The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
