SINCE 1924

.MEETS WEDNESDAYS AT 12:15 PM  
GOSS BUILDING 121 BROADWAY, DOVER, NH

\*\*\*\*\*

## Nov. 18, 2020 - Rotary Club Meeting Zoom Meeting

Submitted by Jim V.

Welcome to the Rotary Club of Dover – the greatest Rotary Club in the Universe –  
Onward and Upward!

**Pledge:** All    **Prayer:** Give Thanks    **4 Way Test + 1:** All

### Rotary Moment: Thanksgiving Fun Facts:

- October 1863, Lincoln declared Thanksgiving, made official in 1941 by fast-acting Congress.
- Largest pumpkin pie 2,020 pounds, 12' long, 900 pounds of pumpkin and lots else (couldn't keep up with the listing – no matter, we are unlikely to be following the recipe). Macy's Thanksgiving parade – Snoopy is the character that has appeared the most

### Program: Robert Siciliano, Security Expert and Private Investigator

*Bio: Robert Siciliano is a security expert and private investigator with 30 years of experience, author of multiple books and training programs, frequent contributor on national media programs and CEO of Safer.me. His personal mission is to inform, educate, empower people to protect themselves and their families from violent crime.*

In the first six months of 2020, 27 billion records were exposed, already many, many more than all of last year. 2004 – 2015, 10 billion records were exposed, getting exponentially worse. All our information is on file in many places. Example: 2005 TJ Maxx breach – this kind of thing is accelerating ever since.

Items to consider related to cyber security:

Social Engineering – confidence crimes (Con Man), attempting to gain your trust by gaining your confidence. Everyone of us is subject to falling victim – have to be careful and cautious every time there's a contact – phone, knock on door, devices, etc.

Hardware - Old hardware (PC, router, etc) does not have ability to run protective programs, e.g. Windows 7 no longer supported. Hardware should be updated, at a minimum, every 5 years.

Software - updates are equally important. Run a paid version of anti-virus – get more protection and is automatically updated.

Secure wifi system – must have a password to get in (e.g. encrypted)

VPN – a virtual private network. Use a VPN anytime you are using free wifi, e.g. at an airport. Easy to find and learn about with a simple VPN google.

Encryption – Do a search on Windows Encryption to learn how to do it.

Tracking Software – Should be installed, get from Google Play.

Back-Ups – both on local hard drives synched AND in the cloud. Should be checked at least once a month. A simple Google, get to PolarBackup.

Passwords – set up a password manager. Download and installed, cheap or free, automatically puts in your password.

School Based Computer Program – probably not much of a concern.

Two-Factor Authentication – should be used for all critical websites. Very easy to get instructions with a google search.

MSSPs or VCISOs – Business networks need this kind professional, periodic review.

Cyber Security Insurance – Businesses should have it.

**There is no patch for human gullibility.** There is a real need in a business for ongoing security risk training. For example, scam person emails employees that seem to be from the boss. For example, phishing training. Cybercrime soon to be the 3<sup>rd</sup> largest economy.

To conclude – this is “just the beginning” Essential:

- Password Manager – PC Magazine.com has article on “Best of 2020.” He uses Roboforms.
- Email: [robert@protectnowllc.com](mailto:robert@protectnowllc.com) for further information or to ask questions.

## **Announcements/Reports:**

**Thank You** to Jim V., our BING writer for today; Thank You to all who have volunteered to deliver food this month. Thank you to all Rotarians who were able to attend the Veteran's Day Observance at Veteran's Park in Dover last week. Thank you to

### **Reports:**

**Bingo Update:** Board decided at meeting yesterday that, due to uptick in area COVID, recommended we stop BINGO after this Thursday and reassess in December. We still do qualify for the poker room share in December.

**Tree Festival,** Noreen B. - Event is Friday, 12/4, 4-8pm Crafters meeting on Nov 28<sup>th</sup>. Controlled by ticket sales. Gift cards focusing on literacy. Gift cards will be paid for by club budget as we are already being asked to contribute to two other projects.

### **Service Projects:**

**Homeless Project,** Jim M. Shopping this coming weekend at Job Lots on Saturday morning at 10 am. Will be spending about \$2,000, \$1,000 from club, just over \$800 in donations from Rotarians.

**Fill The Pavilion Food Drive, Marion C., Ron R. – December 12, 11am – 2pm, drop off food at the Rotary Park Pavilion. Food going to CAP and to Gather.**

## **Dover Rotary Spotlight: Phil Rinaldi**

**1. How long have you been in Rotary?**  
36 Years, I joined in June 1984. Prior to being invited to join Rotary, Dover Secretarial published and mailed the weekly Bing Newsletter from 1978 to 2013.

**2. My favorite Rotary moments:**  
Being the Club Secretary for 16 years. Helping start the RYLA Program in the District in 1991 and served on the committee for 7+ years. Serving as District Secretary for 3 different Dist. Governors. Working with the Interact Club & the school advisors. Going to Venezuela for Rotoplast and being the Team Leader for the GSE group that went to the Caribbean.

**3. Where I currently live and where I grew up:**  
I was born and raised right here in Dover NH and spent most of my life here except when I was in the Army. My parents and grandparents lived and owned businesses in Dover. We are currently the third generation of Dover Chamber Members. If you drive down St. Thomas Street from Central Ave, next to City Hall you will find a "Faces of Dover" plaque with Rinaldi Family pictures.

**4. My hobbies:**  
I enjoy being outside doing yard work or gardening, taking long rides and volunteering within the community.

**5. My Business Profession or Current working or Non-working environment:**  
After I got out of the Army, I worked at Kidder Press/Moore Business Forms on Locust Street starting in the warehouse then in the electrical dept. wiring up office machines. In 1978 Donna and I purchased Dover Secretarial Services & Manpower Temporary Services. In 2001 we sold Manpower but we continue to own and manage the Secretarial business. Donna and I have worked in the same business since we met in 1968. We had 3 business locations over the years, two in Dover and one in Portsmouth. We offered a wide range of services from Temporary help, bookkeeping, database management, executive office rentals and bulk mailings to clients all over the eastern half of the US. We currently work out of our home and maintain a smaller number of clients, many of them have been with us for over 40 years. Our business services are now online bookkeeping and registration management.

*6. Something my fellow Rotarians don't know about me:*

Donna and I currently manage the Rotary Leadership Institute online registrations for all of Northern New England (from Canada to New Jersey and west to Pennsylvania).

In June of 1974 we were New Hampshire lottery winners of \$5,000 with the Lucky Dollar ticket We were one of 10 winners and one of the 10 won \$100,000.

*7. Final words:*

Rotary has been such a great organization to belong to, it changed my life and really got me involved in the community along with all my fellow Rotarians. Our Rotary friends have become our family. I always look forward to Wednesday meetings. AND, THANK GOD THE ELECTIONS ARE OVER.

**Next week's spotlight: Marion Cheney**

**Birthdays: November**

Hemant D. Nov. 1  
Laraine H. Nov. 8  
Dan S. Nov. 11  
Betsey AP Nov. 17  
Maria A. Nov. 24  
Malcolm M. Nov. 25  
Nick P. Nov. 25

**Anniversaries - November**

Frank B. 38 years  
Norm H. 24 years  
Frank C. 43 years  
Ram R. 40 years  
Maria A. 2 years  
Michael C. 2 years  
Kathryn L. 2 years  
Yulia R. 2 years

**ROTARY'S 4-WAY TEST** of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**THE OBJECT OF ROTARY** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- The application of the ideal of service in each Rotarian's personal, business, and community life;
- The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
