Rotary's Four Way Test

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Will it be beneficial to all concerned?

April 30th Program

St. Vincent's Soup Kitchen

Breakfast at the Hampton Beach Soup Kitchen

Guest Speaker: Robin Reid,

Coordinator for the St. Vincent de Paul Society Food Kitchen

The Society's mission statement includes the words...to operate a kitchen...that serves those in need. In a most moving and articulate presentation, Robin explained the history of the St. Vincent de Paul Soup Kitchen, how our Rotary Club became involved and how it continues to help those in need.

Robin's sharing of the many personal stories involving families, children, and individuals who were helped beyond being served meals was not only inspiring but also reminder that there is more work to be accomplished.

A HUGE check for \$3750 was presented to Robin from our club to help with kitchen renovations.

Well-deserved thanks and praise were offered by Rotarians to all those involved in the Soup Kitchen - whether it was cooking, serving or cleaning up afterwards. Special thanks were given for the delicious breakfast that was prepared by Soup Kitchen volunteers for the Rotary Club members.

The Soup Kitchen operates at Hampton Beach from mid-October to mid-May. Complete dinners are served Monday through Friday evenings 5-6:45.

Meetings: The Old Salt Restaurant, Hampton, NH Tuesdays, 7:30 a.m.

4-30-13 Meeting Highlights

Guests:

Hailee-Rich Gibadlo's Granddaughter
Bud Palmer

President John's prayer, in opening this special meeting of our club at the Soup Kitchen, evidenced his bond with Mother Teresa, forged from a personal meeting with this modern day Saint. And so it is most fitting to open this issue of Coastlines with the following quote:

I slept and I dreamed that life is all joy,
I woke and I saw that life is all service.
I served and I saw that service is joy.

Mother Teresa

However, Craig Kelleher, coordinator, shared great stories of one guest and his first experience with snow. Ask Dave Reid how he conquered being stuck in mud. And remember not to forget your towel when traveling.

Language was not a problem...we all understood what our guests meant when they used words like wonderful and beautiful as they traveled throughout our community.
