Last Weeks . . .

Last week Shawn Lambert the Director of the Oxford Hills Technical School spoke to us about his job as a former english teacher and principal prior to becoming the director at OHTS. Technical schools were created to train the workforce or displaced workers in many places. It is now law that state's have technical schools. OHTS provides training in many areas from forestry, advanced communications,

film making, allied health, CNA, auto collision and technology, diversified occupation, early childhood development, engineer and architectural drafting, CAD, fashion design, graphic design and printing technology, law enforcement, marketing and pre-engineering.

Phil thanked everybody who participated in the Career Fair at the Jr. High School.

President Bob informed us that we made \$408. at the Special Olympics Dance.

Foundation chair and past president Larry Jordan reminded us of our goal of \$2.00 per week or \$100. per year per Rotarian for support of the Rotary Foundation.

Jack Sour suggested that we have our Rotary breakfast meeting at the Oxford Casino on May 15th. A vote was taken and it was unanimous.

Jack Richardson led us in singing the "Cup Song" to our newest member, Curtis Smith. It is also a time to remember the song's creator and our dear departed friend Dave Hankins.

Our annual auction is scheduled for July 13th. The yard sale will be shared with the Kiwanians and we will be doing the auction and ticket auction.

Tally Decato was sending around the signup sheet for the MayDay PlayDay to be held on Saturday, May 11th. Signup for this most enjoyable kid's day. Stan will need some help setting tents.

Happy Dollars . . .

There were no Happy dollars last week as we ran short of time due to the interesting program.

50/50 drawing. Paul's ticket was drawn but he missed the elusive King of Clubs. The 50/50 prize is now over \$408.
