Visiting Rotarians and Guests

We did not have any visiting Rotarians. Our guests were the Top Students from OHCHS and School Superintendent Manchester, OHCHS Principal Bickford and Technical School Principal Crockett.

Rotary Moment:

Greeter Ron Morse told us how much he enjoyed being a member of this club and how being a Rotarian through the years has enriched his life in the friendships he has made.

Announcements:

Last Call for the Bethel Rotary Club's 50th Anniversary on June 8 – Bethel is our parent club. I understand we have a gift for them but I have not heard what it is at this time.

District Conference on the Isle of Shoals on June 29. Catch the boat in Portsmouth! More info coming.

Dave Preble – Cornhole is coming! Dave has set the date, Sunday, July 21, at Paris Hill Country Club from 10:00 AM to 4:00 PM. As we have done in the past, there will be two divisions – Advanced and Back Yard! Dave left solicitation letters and a list of last year's donors for us to solicit again this year. Donations make up the prizes; we make our money from the entry fees. Dave would like all donations by our June 19 meeting.

President Beth – We will be having our ROTY and Year End Celebration at Evie Marshall's on North Pond on Saturday, June 22nd.

Beth also thanked everyone for their help with MDPD. We had 60 high school students come and help and owe them a huge debt of gratitude. We also thank the Casino for donating the food. We served over 500 hotdogs.

Last Week:

President Beth led us in the Pledge and the 4-Way Test. Curtis gave the blessing.

After breakfast, PP George asked some of the students to help with the drawings for Lobsters for Scholars. The winners were: Dick Record – 1st, Norway Savings Bank – 2nd, Bruce Powell – 3rd. For the second drawing: Kelly Kiley – 1st, Terry Brown – 2nd, Jeff Preble – 3rd. Congratulations to the winners!

Principal Paul Bickford then came forward. He said a few words about the students who were with us, and then asked them to introduce themselves, who their parents are and their plans for next year. Without question, all of them are planning on continuing with their education. It is always a treat for us to have them join us.

50-50: We had a drawing but I didn't make note of it. I'm sure if there had been a winner, I would have. On to this week.....

😊Happy and Sad Dollars😊

Dave P. had happy dollars for his grandson who is graduating high school this year and will be attending UMASS Amherst next year. He also noted that like a couple of our visiting students, his daughter went to Colby College.

Tina had \$37 happy dollars for hers and Charlie's 37th anniversary. She was also happy for the students being with us.

John had \$35 happy dollars to get to the EREY goal but also said they could have been very sad dollars after he "misplaced" the folder for Rotary attendance when he tried to do a computer back-up. He was not looking forward to recreating four years' worth of perfect attendance records. A few days later, while contemplating this misfortune, he accidentally opened a folder totally unrelated to Rotary and there was the folder containing the attendance records.

Bob was happy to tell us that he and Lynne are celebrating their 53rd anniversary on June 5th. He told us that he graduated from UMF and that if you want to confuse people, tell them that you have ridden your bicycle in Moscow.

Patty was happy for the students. She also said something about the Dover RC and Hampton RC but my notes aren't clear. I think one of them celebrated their 100th Anniversary.

Puns for the Week:

I went to the zoo and saw a baguette in a cage. The Zoo Keeper said it was bread in captivity.

After dinner, my wife asked me if I could clear the table. I needed a running start but I made it!

The Rotary Theme for June is Rotary Fellowships:

Do you have a hobby or passion you would like to explore with friends from around the world? Do you want to build community around your profession or cultural identity globally? Rotary's Fellowships are international groups that share a common passion or identity. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience.
