Agenda:

- Arrive about 5:45 pm and park in the parking lot.
- At 6:00 campers begin to come in from the course and gather at the dining hall for roll call.
- 6:30 pm we have dinner—tentative menu is Roast Pork Loin w/ gravy, potato, carrots, salad bar and a brownie w/ ice cream.
- You can choose to stay or leave after dinner
- 8:00 pm we make our way to the fire pit (if not raining) for the evening events that will last until about 11:00 pm.
- If you stay, I will have a few Rotarians move their vehicles to the waterfront to make leaving easier.
- The final Campfire—Campers present skits, Staff is recognized and the New Voices Rotary Club will be recognized, and we use the time to motivate and challenge students.
- The event ends with a candle light ceremony, then campers go off for a final reflection we maintain silence.

There is a sign up that you can find on the District Calendar. Please consider a \$10 donation for RYLA for the diner.
