Saturday, November 2, 2013

"Don Juan" John Rivard - who knew a CPA could deliver so much performance?"

Club member John Rivard was caught tripping the light fantastic at the *Let's Dance with the Stars* competition (fundraiser for the Maine Children's Cancer Program) recently held here in Sanford. Don Juan and his dance partner, Lori Hegarty, are performing a salsa. There really is no limit to what Rotarians can do!

in our community

Upcoming events:

Mark your calendars -

Rotary Children's Holiday Party
Friday, November 29, 2013 @ noon
Join us for our traditional fun holiday lunch and bring your children and grandchildren for an entertaining and mesmerizing performance by illusionist, Dennis Ng.

Children's Christmas Party
Sanford Kiwanis/Rotary Clubs
TBA in December
A Christmas party for Sanford's neediest children. Coats, hats and mittens are distributed, Christmas goodies are served and a visit from a certain Rotarian Santa is expected. Volunteer to help out at this community service event.

Salvation Army Bell Ringing
TBA in December
Sign up to ring bells at the Sanford Walmart. Rotarians compete against Kiwanians to see who can raise more money that day. Help us keep our two-year winning streak alive.

Evening Social
Thursday, January 30, 2014
John Ford, a Sanford native and author, will be our featured speaker. Invite prospective members and friends.

Rotary Anniversaries:

Fred Boyle, 28 years
Anthony Cataldi, 2 years
Michele Dubois, 6 years
David Gardner, 36 years
Rosemary Guptill, 7 years
Joshua Howe, 1 year
David Spahn, 3 years
Mike Tero, 6 years

Loading a container bound for Nigeria

Sanford Rotarians Arnie Chandler, Bob Ferguson, David Spahn, Bob Hardison, Mark Mickeriz responded to a last-minute plea from Kerstin and Uwe Kirschner (Saco Bay RC) for help loading a container with medical equipment and crutches headed to Nigeria. Kerstin is heading up a future project in Nigeria and the containers were loaded at Flemish Master Weavers, Uwe's company in Sanford. Nice job, team!

Waban Build, Bond and BBQ

Through the generosity of a Rotary Foundation District Grant and the Sanford-Springvale Rotary Club, as well as the volunteer labor from these members of the Sanford-Springvale Rotary, 110' of Boardwalk was built that will connect two sections of Waban's handicapped accessible hiking trails. The trails are used by people of all abilities as part of Waban's four season TREE program .

TREE stands for Teambuilding, Leadership, and Environmental Education. During the winter months, many groups, public schools, and individuals use the trails for snowshoeing, wildlife habitat studies, and good old general fun!

Our newest Paul Harris Fellows

Andy Orazio and John Caramihalis were honored with Paul Harris fellowships on October 10, 2013. District Governor Carolyn Johnson presented the award to Andy for his work over the years as membership chair. John's PHF was awarded in recognition of his tremendous contribution to our club's fellowship and camaraderie in his role as Sergeant-at-Arms and for spearheading the recent Waban Trail Project and District Grant. Congratulations!

November is RI Foundation month!

Thanksgiving

Did you know?

Sanford Rotarian and PDG, Elias Thomas has led a mission trip to India every year since 2001. Talk to him to find out if there is a place for you on this year's team.
