What is the Rotary Club of Wallingford?

The Rotary Club of Wallingford was chartered in February 1923 only days before Rotary International (our parent organization) celebrated its 18th birthday. Our Rotarians, both men and women, bring more to the Club and the community than their classifications may indicate. Often called “spirited” by visiting Rotarians, these same men and women contribute their time and talents to our numerous community service projects. Whether cleaning up the Quinnipiac River, a wine-tasting event for the Liberty Bank Thanksgiving project or collecting food for Master’s Manna, Rotarians live their lives by the 4-Way Test – “Is it the Truth? Is it fair to all concerned? Will it build good will and better friendships? Is it beneficial to all concerned?” **Locally, The Rotary Club of Wallingford has committed over \$800,000 to Wallingford and its surrounding communities through The Wallingford Foundation.**

What is the Wallingford Foundation and Where Does the Money Go?

**100% of all funds raised go directly to the Wallingford Foundation,
the charitable arm of the Rotary Club of Wallingford**

The Wallingford Foundation has made several major donations to local community organizations including:

- The Children’s Reference Room at the Wallingford Public Library
- The Wallingford YMCA Teen House
- The Pavilion at Doolittle Park with the assistance and generosity of PetraCorp
- The vans for the Wallingford YMCA, the Ulbrich Boys and Girls Club and the Spanish Community of Wallingford
- The ventilation system at Master’s Manna
- The Low Ropes course at Bertini Park

Additionally, every year, grants are awarded to community organizations, including the 8th Grade Speaking & Essay Contest, the Thanksgiving Day Community Dinner, the Fuel Assistance Program, Chrysalis, Project Graduation, Wallingford Y Camperships . . . and many more worthwhile projects too numerous to mention!

Internationally, The Wallingford Foundation supports the Good Samaritan Hospital in the Dominican Republic where it partnered to start the Mama Mandes Cocina to feed impoverished patients. We have shipped an ambulance, a generator and tons of medical equipment and supplies as well as facilitated the installation of thousands of Biosand Water Filters for the poor. The Club has also awarded 57 scholarships to Wallingford students to perform community service in the Dominican Republic.

So, what can YOU do?

Sign up to PLAY, be a SPONSOR, support ROTARY and your local COMMUNITY!
