Area Rotary Exchange students weekend in Madison, March 6-8.

Photo by Betsy Nordstrom.

Doug and Betsy Nordstrom hosted Hannah from Belgium, Sophie, an outbound from Watertown going to Denmark, Inga from Germany and Anna from Hungary on Friday, March 6. They made Wisconsin pillows from Polar fleece.

On Saturday, the girls went to First United Methodist Church for the rest of the exchange weekend. Forty one students and their chaperones attended the International Festival at The Overture Center. They also toured the capitol and enjoyed downtown Madison.

Saturday evening, Rotarians from Madison Breakfast Rotary and other clubs provided an International meal. Sunday, Breakfast Rotarians provided breakfast before the five students attended church service and headed home.

From Kevin Frost and Engineers Without Borders

Thank you to all who attended our Engineers Without Borders presentation on March 2. Breakfast Rotary club contributed significantly to the completion of the Guatemala project. We at EWB, including those at EWB-USA, all the students, professionals, and myself, can't thank you enough.

As thanks, EWB-UW has offered a table of eight seats for Rotarians at our annual fundraising banquet, on Saturday, April 4 from 4 to 8 pm at Union South. The speaker is Michael Hassman from Crane Engineering, who received a \$4.2

million grant from The Bill and Melinda Gates Foundation to design, build, and test a mobile human waste treatment solution that increases safe sanitation in developing countries, Dinner options: chicken, ravioli, or salmon (specify any food allergies); Desert option: cheesecake, flourless chocolate (specify allergies). Plus one's are welcome, but priority will be given to Rotarians if there are enough requests. Please reply to Kevin Frost or Betsy Nordstrom, if interested in attending.
