Clean water, sanitation, and hygiene education are necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families. Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize.

One of Rotary's long-time partners is the United Nations. March 22nd is World Water Day to raise awareness and inspire action to tackle the water and sanitation crisis. It is about taking action to tackle the global water crisis of the 2.2 billion people living without access to safe water.

The following is a statement from the UN on the 2023 theme—ACCELERATING CHANGE.

This World Water Day is about accelerating change to solve the water and sanitation crisis. And because water affects us all, we need everyone to take action. That means you!

You and your family, school and community can make a difference by changing the way you use, consume, and manage water in your lives.

Your commitments will be added to the Water Action Agenda, to be launched at the UN 2023 Water Conference – the first event of its kind for nearly 50 years. This is a once-in-a-generation moment for the world to unite around water.

Dear District 7610 Rotarians:

As you requested, we are beefing up the education and information programs about The Rotary Foundation, as well as further reporting on TRF, district and club foundation activities. We have developed a program series under three general categories:

- #1 **Discover**– Designed for those just discovering TRF.
- #2 **Club leaders** – Support for planning their clubs’ and members’ TRF donation achievements.
- #3 **Legacy** – Active Rotarian TRF donors planning next steps in their Rotary Legacy.

Series #3 LEGACY Schedule – Everyone is invited to mark your calendars:

- March 16:** What is the Difference Between Major Gift, Major Donor, and Bequest Society?
- April 20:** Your Rotary Legacy
- May 11:** Get Ready for YOUR Rotary Year End Giving

Join Zoom Meeting – Series #3 – Legacy--District Foundation – MARCH 16th!

Welcome St. Patrick's Day and the Vernal Equinox (Spring)

Peter Anderson,
District Annual
Fund Chair

Happy St. Patrick's Day everyone! We are now into March leaving only 3 ½ more months in the Rotary year. I wish we were sitting on a pile of gold like the leprechaun to your left, but we are significantly behind last year's Annual Fund-SHARE giving

total. We currently have donated \$320,092 to Annual Fund-SHARE. That is 60% less than where we were in March of 2022. The good news is that we are now at \$60,937 for PolioPlus giving, which is 9.7% above where we were in March of 2022.

Earthquakes in Turkey

It won't be long now (20 March) and the vernal equinox, for the scientifically inclined (that's Spring for the rest of us), will be arriving. With it will be a renewal of life, flowering plants, warmer weather, and for many people optimism for a better life. Unfortunately, with the many recent disasters in the world, there will also be many

Flooding in India

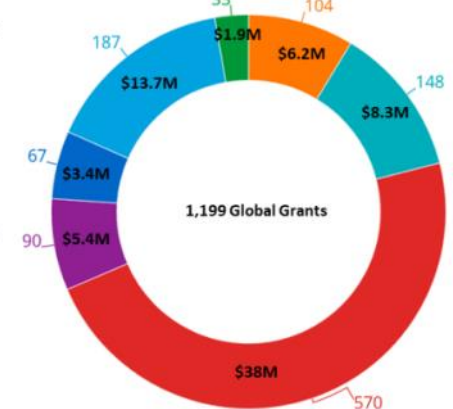

people just trying to survive under extreme conditions in inhospitable environments. Your donations to The Rotary Foundation make it possible for Rotary to help the people affected by these events through Disaster Response and Global Grants.

I always find it interesting to see where our donations are going. I thought you might like to see some facts on the number and dollar amounts distributed in RY 2021-2022. The chart to the right is a breakdown of Global Grants by Areas of Focus. Additionally, TRF distributed 478 District Grants for \$27M; 207 Disaster Response Grants for \$8M, and one Programs of Scale Grant for \$1M.

If you are not already supporting The Rotary Foundation, it is never too late to start, and every donation helps, so start now. Become a Sustaining Member for this Rotary year with a donation of \$100 to the Annual Fund-SHARE and you will also qualify as Every Rotarian Every Year. Thanks for reading!

RY2021-2022 Global Grants by Area of Focus

- Basic education and literacy
- Community economic development
- Disease prevention and treatment
- Maternal and child health
- Peacebuilding and conflict prevention
- Water, sanitation, and hygiene
- Environment

TRF transforms your gifts into service projects that change lives both close to home and around the world. Call the Rotary Support Center at 866-976-8279 to start your recurring monthly gift through Rotary Direct.

PEACEBUILDING AND
 CONFLICT PREVENTION

**ROTARY DISTRICT 7610
 PEACE CONFERENCE 2023**

**PRESENTED BY THE
 ROTARY CLUB OF
 GLOBAL PEACEBUILDERS**

Peace is a verb

A **noun** is a word that names something, such as a person, place, thing, or idea.

Verbs are words that show an action.

This year's nationally acclaimed presenters will focus on how individuals and clubs can use the eight Pillars of Positive Peace created by the Institute for Economics & Peace in their communities to turn anyone into a peacebuilder in their everyday life.

As People of Action, Rotarians understand how Peace is a Verb.

Are you planning to attend the district Peacebuilding conference this year?

A Absolutely! I attended last year and learned so much about Positive Peace and Peacebuilding. But, Can peace really be a verb?

Cool!

Philosophically it can. If we stop thinking dualistically about peace versus violence and realized that **building** peace is an unfolding process, we begin to understand that peace is a verb. Or as Mahatma Gandhi explained, "peace is the path as well as the goal."

Rotary responds to Ukraine crisis

At Rotary, we are deeply concerned by the ongoing loss of life and humanitarian hardship caused by the war in Ukraine. We're using our deep networks and decades of experience to take meaningful action in the region.

Your past donations at work

Donations to The Rotary Foundation's Disaster Response Fund from 3 March to 30 April 2022 were used to provide humanitarian aid to regions that supported Ukrainian refugees and others who were affected.

Thanks to the generosity of donors around the world, we raised more than US\$15 million that funded more than 400 grants that pro-

Find out how to engage with Rotary clubs and districts, find contacts for hosting refugees, and more local efforts. You can directly support these local projects.

District 2232 (Ukraine) formed a committee to help people affected by the war. It identified urgent medical supplies to help injured civilians. [Download the list of needed medical supplies \(PDF\)](#).

PolioPlus is engaging reluctant communities by addressing basic needs

by Diana Schoberg

WORLD IMMUNIZATION WEEK
24-30 April 2023 endpolio.org | #endpolio

Khadim Solangi Goth, a community on the outskirts of Karachi, Pakistan, sits in one of the last remaining polio reservoirs on the planet. More than 40,000 people live in improvised dwellings made of earth or other found materials. “The poorest of the poor are living in this area,” says Asher Ali, the project manager for the Pakistan PolioPlus Committee.

In Pakistan, 53,000 children under age 5 die each year from diarrhea caused by contaminated water. Polio is especially resilient in this community, which has been one of the most resistant to eradication efforts; the Global Polio Eradication Initiative (GPEI) has designated Khadim Solangi Goth one of its highest-priority areas.

What makes polio thrive in this place? The piles of trash and open sewers are one reason; poliovirus gets transmitted through contaminated water. But another major factor is the area’s low vaccination rate. In a community whose basic needs aren’t met, residents see the polio vaccine as a low priority.

“The refusals are not for the sake of religion but because civic amenities are missing,” says Aziz Memon, chair of the Pakistan PolioPlus Committee. “They ask us, ‘What are you doing here? You come again and again and again to give us polio drops. You never tell us how you’re going to help us with electricity, roads, or clean water.’”

Still, the polio eradication program has seen a boost to its credibility in the past couple of years, thanks to the installation of water filtration. Since 2012, Rotary members have helped install 36 water filtration plants in Pakistan. “Now that the community has access to clean water, polio workers are giving us feedback that when they are going to homes, the mothers bring their children to be vaccinated. The workers now have easy access to get into the area,” says Ali.

Polio is spread through contaminated drinking water. Providing clean water to communities helps stop polio’s spread, improves people’s health, and builds goodwill for the polio program. Local residents, trained by Rotary members, operate and maintain the equipment. “Sustainability is embedded in community participation,” says Asher Ali, the project manager for the Pakistan PolioPlus Committee.

In Pakistan, Memon says, Rotary members complement the water projects with health camps that assist families with other medical needs. “Health camps also send a very positive signal,” he says. “It shows that our main focus is not polio alone, it’s PolioPlus.”

**END
POLIO
NOW**

PolioPlus Society Membership Form

District 7610

As a Rotarian and supporter of Polio Eradication, Rotary’s #1 priority, I wish to help Rotary make history by continuing to contribute the below amount each year until the World Health Organization certifies that polio has been fully eradicated from the face of the earth.

Therefore, I hereby commit to making an annual donation to the PolioPlus of The Rotary Foundation as follows: (select one)

- \$100 per year** (minimum amount to become a society member)
- A contribution of \$_____ per year to PolioPlus** (more than \$100)

Society members will receive a PolioPlus Society membership pin and Paul Harris credit (points) plus a beautiful certificate of recognition and thanks. Make your donation online at www.rotary.org/donate and select the Polio Fund or call the Rotary Contact Center – 866-976-8279. Either way, you can set it up as a recurring donation.

PLEASE Email this completed form to PDG Sandy Duckworth – pdg7610@gmail.com
Call if questions: 540-361-1680

POLIOPLUS SOCIETY MEMBERSHIP

I pledge to contribute at least \$100 each year to PolioPlus until the World Health Organization certifies that Polio has been fully eradicated and the world is polio-free. I do this because.....

**UNTIL THE LAST CHILD IS IMMUNIZED
AND THE WORLD IS CERTIFIED POLIO-FREE,
EVERY CHILD IS AT RISK.**

Name: _____

Signature: _____

Date: _____

Club Name: _____

Phone #: _____

Email: _____

PolioPlus Society membership certificate and lapel pin will be presented to you at a club meeting. We want you to be properly recognized for your generosity and commitment to polio eradication.

Doing Good in the World by Changing “Imagine” into “See”

Thank you, to Rotarians in these “Top Ten” clubs who, by their gifts, are imagining a better world.

These clubs lead the way in Annual Fund-SHARE, Polio, and Total Giving two-thirds of the way through Rotary Year 2022-23. Congratulations to the Rotarians in these clubs who, by their imagination and generosity, are turning dreams into reality. **(as of 3/10/2023)**
