Join the Rotary District 7610 End Polio Now Challenge! October 24 – November 28, 2023

It's time to rally together for a cause that has been at the heart of Rotary's mission for decades – the eradication of Polio. Rotary District 7610 is thrilled to announce the launch of the “End Polio Now Challenge,” commencing on October 24th (World Polio Day) and concluding on November 28th (Giving Tuesday).

Our mission is clear: to raise awareness and funds that will bring us one step closer to a polio-free world. We invite every club and every member to be part of this inspiring journey, spreading the word and contributing to our District's goals.

Here's how you can get involved:

Individuals, teams, or clubs can commit to 30 minutes of mental OR physical self-care activity each day during the Challenge and ask friends and family to sponsor their efforts by donating through the Raise for Rotary portal identified for this campaign. All funds raised during the month-long challenge will go to the Polio Plus Fund to End Polio Now!

Use this easy Google Form to enroll: <https://forms.gle/mnWFk8Xn9F3maXoq9>

Once enrolled through the Google Form, you will receive an email from Rotary member Matt Stevens, a fitness coach at Athleteupfitness@gmail.com, with instructions on how to participate (as an individual, team, or club), how to gather sponsors to support you, and weekly healthy tips to help you achieve better results!

Mark your calendars:

October 2nd - October 24th: Three weeks to plan your campaign.

October 24th - November 28th: Four-plus weeks to execute and make a difference.

Throughout the campaign, we encourage clubs to share videos and People of Action photos, showcasing your fantastic efforts. Learn how to use the branding center to amplify your message.

District and Club Team Building & Planning

Rotary Foundation Summit

DRFC Pat Borowski

On September 30, sixty Rotary Foundation club leaders and District Team members came together in-person for the first time since 2019. The objectives was to update our collective knowledge about The Rotary Foundation (TRF) based upon current information and requirements. It was a

team effort District-wide to engage our members in regular donations to TRF Annual Fund SHARE, especially those who have joined since 2019 and to fund and create partnerships that support broad-based active participation in TRF Grant system.

The central theme for the Summit and this year in our District Rotary Foundation efforts is to *Assure Tomorrow's Rotary Foundation*. While long term Rotarians are giving more, especially in planned-giving to support their Rotary Legacy, middle-tier and new members are giving at much lower levels or not at all as compared to District TRF 2019 results for these same groups. This circumstance is not a sustainable donation model if Rotary is to continue its efforts to "Do Good in the World".

What YOU REALLY need to know about The Rotary Foundation session was presented by PDG Chuck Davidson and PDG Juanita Cawley. It was a refresher for some, new information for others, and an example of what club Rotary Foundation teams need to be sharing with their members on a regular basis.

Breakouts allowed smaller group discussions. The TRF Grant System breakout outlined the critical changes that TRF has made and correspondingly, what clubs can expect in changes to the District mandatory Grant requirements. The majority of time was spent on discussing how to develop better partnerships among the clubs and areas in our district. The discussion was facilitated by District Grants Chair Dr. Wallicia Gill, Vice Chair of the Global Scholar program Jenna Edwards, Chief Global Grants Chair Andrew Wade, and Rotary Foundation Compliance Officer, PDG Travis White.

The Goal setting breakout session encouraged discussion of why, how, where and how to implement the goals clubs should be setting for their TRF donation targets, as well as how that supports a club's more active role in Rotary Grants. Leading the discussion and demonstrations about goal setting and cultivating member engagement were Annual-Share Chair Cheri Maea and Endowment Chair PDG Sandy Duckworth.

Lunch was an idea exchange among club team members, and among different clubs. The room was buzzing with many different groups discussing what can be possible through TRF.

The two afternoon general sessions did not disappoint. Given the backdrop of world and domestic tensions, Peacebuilder chair Bill Cawley led the audience through the revised District 7610 Peacebuilder Club program. This allows clubs to become better students of positive peace and design and engage in programs for their communities to foster more positive peace.

Our District Governor, Rene Laws knocked it out of the park with her call for all clubs and Rotarians to join the District 7610 End Polio NOW Challenge. It begins on World Polio Day, October 24 (so there is time to plan) and goes until Giving Tuesday on November 28.

A resource folder has been created in DACdb/District Files/Foundation/Sept. 30 Summit that houses all the materials, presentations and resources speakers provided. This includes a listing of all Foundation programs for the balance of the year. It is available to all our members.

This is a beginning of how District and Club Rotary Foundation Teams can and should work together so that every Rotarian knows about TRF, finds their passion in it, and begins their TRF legacy journey.

Be sure to check out the Summit photos on the next page. See you at our next event!

Why you should become a Major Donor and How

Contact Suzanne McDougall on the Foundation Team

When you make the decision to give to The Rotary Foundation, and if you are able to become a Major Donor within Rotary - particularly at Level One with a personal, cumulative contribution of \$10,000 - it can hold great importance and benefits for both the organization and the district. Here's why it's crucial, what it achieves, and how to work toward achieving this significant level of giving:

Importance and Achievements:

- 1. Supports Rotary's Humanitarian Work:** Major Donors provide essential funding for Rotary's global humanitarian initiatives. Your contribution directly contributes to projects such as eradicating polio, providing clean water, improving education, and more.
- 2. Expands Rotary's Impact:** Your generous donation significantly amplifies Rotary's ability to make a positive difference in communities around the world. It allows Rotary to take on larger and more impactful projects.
- 3. Strengthens the District:** Your support benefits District 7610 directly by enabling it to carry out local community service projects and contribute to the international efforts of Rotary.
- 4. Inspires Others:** Your commitment serves as an inspiration to fellow Rotarians and community members, encouraging them to join in and support Rotary's mission.

How to Work Toward Being a Major Donor (Level One - \$10,000):

- 1. Start with Smaller Contributions:** If you're not already a Rotary Foundation supporter, begin by making smaller donations to The Rotary Foundation, which can accumulate toward the \$10,000 Level One requirement. Joining the Paul Harris Society, with a commitment of \$1,000 annually if you are able, is a great place to begin.
- 2. Create a Giving Plan:** Develop a structured giving plan that outlines your commitment to reaching the Level One Major Donor status. This may involve setting aside a portion of your annual charitable budget for Rotary.
- 3. Consult Rotary Leaders:** Seek guidance from Rotary leaders, including your local club president and foundation committee members. They can provide you with specific information about the Level One Major Donor program and help you understand the requirements.
- 4. Attend Rotary Events:** Stay engaged in Rotary by participating in club meetings, district conferences, and Rotary Foundation seminars. This will keep you informed about Rotary's projects and allow you to see firsthand how your contributions are making a difference.
- 5. Stay Committed:** Continue to demonstrate your commitment to Rotary's principles of service and fellowship through your financial contributions and active involvement in Rotary activities.

Becoming a Level One Major Donor with a personal contribution of \$10,000 is a significant milestone within Rotary. It not only enables you to play a pivotal role in improving the world but also helps Rotary and District 7610 carry out their missions effectively. Your support, both financial and through your active involvement, is invaluable in advancing Rotary's cause.

Gearing up for Rotary Foundation Month

Thank you to all those who attended The Rotary Foundation Seminar on September 30th. For those clubs who sent a representative, you now have the goal sheet to begin your planning to achieve your goals. For those who could not attend, please send me an email at cmaez000@gmail.com and I will provide your club information. Below is a chart indicating where we are at as a District:

	Number of Members	Annual Fund					
		Goal	% Goals Received	Total	Per Capita	Goal Achieved	Non-Giving Clubs
2023-24	1,874	\$257,050	54.7%	\$59,281	\$31.63	23.1%	7
2022-23	1,864	\$346,925	92.3%	\$501,828	\$269.22	144.7%	0
2021-22	1,994	\$318,700	57.4%	\$972,114	\$487.52	305.0%	0
2020-21	2,057	\$420,170	78.2%	\$556,334	\$270.46	132.4%	1
2019-20	2,116	\$434,248	88.9%	\$525,748	\$248.46	121.1%	0

Important to note is that only 54.7% of clubs have entered their Annual Fund Goal into Rotary Club Central as of September 30th. It is essential that we improve this number quickly because the current amount of \$257,050 will result in a significantly decreased district grant in three years.

Wondering how much to pledge?

Start with your total number of members and then complete the chart below – Be sure to count each member only one time:

Giving Level	Current		Average	
	Donors	Planned	Total	Contribution
Paul Harris Society (1000)				
Sustaining Member (100)				
Every Rotarian Every Year (25-100)				
Other Contributions				
Total Goal				

Below are the AF goals for 2023-2024:

- ◆ Every Club has their TRF Goals in Club Central before the end of November.
- ◆ Every member contributes to TRF (\$25 or more).
- ◆ Members per RC Contribute \$150+ per cap to Annual Fund
- ◆ RC Contribute \$500/\$1,000 to Annual Fund-SHARE

Together we can meet these goals as well as the other TRF and Governor’s Citation goals and improve our communities – one donor, one donation and one service project at a time!

TRF transforms your gifts into service projects that change lives both close to home and around the world. Call the Rotary Support Center at 866-976-8279 to start your recurring monthly gift through Rotary Direct. Or simply click on the link: <https://my.rotary.org/rotary-direct>

Paul Harris Report

PDG Ronnie Chantker

Members of the Paul Harris Society (PHS) pledge to contribute \$1000 to the PHS every year that they are able to do so. These donations are an important part of The Rotary Foundation’s fundraising. Without these donations, The Rotary Foundation would not be able to fund the life changing grants that it implements every year. Rotary’s programs in its seven Areas of Focus are helping people all over the world to overcome poverty, war, illness and discrimination that afflict them.

I recently spoke to the Rotary Club of Great Falls about the Paul Harris Society and how its annual commitment benefits Rotary and our various causes. I would be happy to attend your club meeting to speak to your club about the Paul Harris Society. Please contact me at 301-518-7033

If you would like to join The Paul Harris Society, just complete the application on the following page and submit it to The Rotary Foundation’s address on the bottom of the form. Please also send a copy to me at rmccpa97@aol.com
