PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are an inclusive community and people representing different backgrounds, careers, experiences, and perspectives that share a desire to join with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world. We partner with local, national, and global experts to exchange ideas about potential solutions and create action plans to respond. Along with these opportunities to serve, members network with others in different fields, often building lifelong friendships and career connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease through clean water and sanitation, improve women and children's health, support education, and promote sustainable economic outcomes and infrastructure. We strive to make our community and the world a more peaceful place.

We volunteer with partners on projects including:

- **Joyce Uptown Food Shelf** – we staff the food shelf on some shifts, fundraise, and help with special projects.
- **Ella Baker School** – we provide funds and volunteers to provide culturally appropriate weekend food through Every Meal for students at risk for hunger. We also support a variety of literacy activities, including field trips and special programs.
- **Warm Heads, Warm Hands, Warm Hearts** – we provide hats and mittens to help keep our community's most vulnerable people warm and safe during winter.
- **Haiti Outreach** – we support development projects in Haiti, mainly community-managed clean water wells and water systems, plus building public schools. Making in-country working visits.
- **Ready, Set, Smile** – We fundraise to ensure dental health screenings for school children who would otherwise not receive care.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

Being a Rotary Club member has made a major difference in my life. Not only have I been able to volunteer and give back to my community, I've made some great friends and contributed to making the world a better place!

— Dale Snyder

My experience with our club has been immensely valuable. I've made lifelong friends and strengthened my connection to the community.
