Richfield Rotary’s Flight Plan

What should be Richfield Rotary’s flight plan? (What do you see as our mission? Vision? Core values? Tagline? Are there aspects of our history that are key to our future?)

Develop the Air Crew

Respond to one of the following questions:

- What passion would you like to pursue in Rotary?
- What role(s) would you like to perform in Rotary now and / or in the next few years?
- How could Rotary help you develop your skills as a leader?

Setting Goals with a Purpose

What 90-day goal(s) would you like Richfield Rotary to adopt? Why? How would the goal(s) relate to a larger purpose within Rotary?

Please turn this in to Barb Devlin, for compilation and use in future club planning. Thank you!
